Mary Yonge, 2015-07-10 Excerpt from **My Young Alcides A Faded Photograph** Ideas have a tyrannous power of insisting on being worked out even when one fears they may be leading in a track already worthily preoccupied But the Hercules myth did not seem to me to be like one of the fairy tales that we have seen so gracefully and quaintly modernised and at the risk of seeming to travestie the Farnese statue in a shooting coat and wide awake I could not help going on as the notion grew deeper and more engrossing For whether the origin of the myth be or be not founded on solar phenomena the yearning Greek mind formed on it an unconscious allegory of the course of the Victor of whom the Sun rejoicing as a giant to run his course is another type like Samson of old since the facts of nature and of history are Divine parables And as each one's conquest is in the track of his Leader the only true Conqueror so Hercules in spite of all the grotesque adjuncts that the lower inventions of the heathen hung round him is a far closer likeness of manhood as indeed the proverbial use of some of his tasks testifies and of repentant man conquering himself About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any
