Cooper Jr.,Thomas E. Terrill,Christopher Childers,2016-11-17 In The American South A History Fifth Edition William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the South from the history of the United States The authors analysis underscores the complex interaction between the South as a distinct region and the South as an inescapable part of America Cooper and Terrill show how the resulting tension has often propelled section and nation toward collision In supporting their thesis the authors draw

on the tremendous amount of profoundly new scholarship in Southern history Each volume includes a substantial bibliographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South This volume contains updated chapters and tables     Dixie Rising Peter Applebome,2012-05-30 In a provocative exploration of the triumphant South the region that increasingly defines American politics and values the former Atlanta bureau chief of The New York Times illuminates the people places and passions of this influential section of the country an area that has effectively decided the outcome of every presidential election in the past 30 years     *Reconstructing Dixie* Tara McPherson,2003-03-31 A cultural studies reading of white southern femininity as seen in a range of popular sites including novels television and tourist attractions     **Homelands** Leonard Rogoff,2007-09 Homelands blends oral history documentary studies and quantitative research to present a colorful local history with much to say about multicultural identity in the South Homelands is a case study of a unique ethnic group in North America small town southern Jews Both Jews and southerners Leonard Rogoff points out have long struggled with questions of identity and whether to retain their differences or try to assimilate into the national culture Rogoff shows how as immigrant Jews became small town southerners they constantly renegotiated their identities and reinvented their histories The Durham Chapel Hill Jewish community was formed during the 1880s and 1890s when the South was recovering from the Reconstruction era and Jews were experiencing ever growing immigration as well as challenging the religious traditionalism of the previous 4 000 years Durham and Chapel Hill Jews recent arrivals from the traditional societies of eastern Europe assimilated and secularized as they lessened their differences with other Americans Some Jews assimilated through intermarriage and conversion but the trajectory of the community as a whole was toward retaining their religious and ethnic differences while attempting to integrate with their neighbors The Durham Chapel Hill area is uniquely suited to the study of the southern Jewish experience Rogoff maintains because the region is exemplary of two major trends the national population movement southward and the rise of Jews into the professions The Jewish peddler and storekeeper of the 1880s and the doctor and professor of the 1990s Rogoff says are representative figures of both Jewish upward mobility and southern progress     **South to A New Place** Suzanne W. **The Second Wave** Philip Scranton, 2001 Though it had helped define the New South era the first wave of regional industrialization had clearly lost momentum even before the Great Depression These nine original case studies look at how World War II and its aftermath transformed the economy culture and politics of the South From perspectives grounded in geography law history sociology and economics several contributors look at southern industrial sectors old and new aircraft and defense cotton textiles timber and pulp carpeting oil refining and petrochemicals and automobiles One essay challenges the perception that southern industrial growth was spurred by a disproportionate share of

federal investment during and after the war In covering the variety of technological managerial and spatial transitions brought about by the South's second wave of industrialization the case studies also identify a set of themes crucial to understanding regional dynamics investment and development workforce training planning cost containment and environmental concerns equal employment opportunities rural to urban shifts and the decay of local economies entrepreneurship and coordination of supply service and manufacturing processes From boardroom to factory floor the variety of perspectives in *The Second Wave* will significantly widen our understanding of the dramatic reshaping of the region in the decades after 1940

Game Day and God Eric Bain-Selbo, 2009 *Game Day and God* Football Faith and Politics in the American South takes seriously the often stated assertion that college football in the South is a religion To this end Eric Bain Selbo draws upon a wide range of theoretical approaches in religious studies and cultural criticism He also relies upon field research on several campuses in the Southeastern Conference where he interviewed fans and experienced game day Consequently the author is able to make the case that college football does function religiously for many people in the South In addition the author introduces key concepts and theories of religion and culture to a general audience *Game Day and God* also recounts the role that college football has played in Southern history and culture Going back as far as the Civil War the work explains the cultural meaning of college football in the South delivering a much needed critical perspective to the subject Scholars of religion will find the work a compelling extension of key concepts and theories to an otherwise secular activity Scholars of American culture and sports will find the work to be an interesting case study one that unlike much work in the area focuses our attention on the religious dimension of the phenomenon of sport in American culture And general readers will find that college football or any sport can be much more than they imagined as well as discover important theories with which to make sense of the complexity of our daily lives Book jacket
