Early Broadway Sheet Music Donald J. Stubblebine,2015-06-08 This work a companion to the author s Broadway Sheet Music A Comprehensive Listing of Published Music from Broadway and Other Stage Shows 1918 through 1993 McFarland 1996 provides information about all sheet music published 1843 1918 from all Broadway productions plus music from local shows minstrel shows night club acts vaudeville acts touring companies and shows on the road that never made it to Broadway and all the major musicals from Chicago Singing, Soldiering, and Sheet Music in America during the First World War Christina Gier,2016-10-19 An advertisement in the sheet music of the song Goodbye Broadway Hello France 1917 announces Music will help win the war This ad hits upon an American sentiment expressed not just in advertising but heard from other sectors of society during the American engagement in the First World War It was an idea both imagined and practiced from military culture to sheet music writers about the power of music to help create a strong military and national community in the face of the conflict it appears straightforward Nevertheless the published sheet music in addition to discourse about gender soldiering and music evince a more complex picture of society This book presents a study of sheet

music and military singing practices in America during the First World War that critically situates them in the social discourses including issues of segregation and suffrage and the historical context of the war The transfer of musical styles between the civilian and military realm was fluid because so many men were enlisted from homes with the sheet music while they were also singing songs in their military training Close musical analysis brings the meaningful musical and lyrical expressions of this time period to the forefront of our understanding of soldier and civilian music making at this time
