My Year of Living Heterosexually Ronald Donaghe, 2000 Compared to the dangerous rage filled military of today where even the hint of homosexuality will get one badly beaten or savagely murdered mine were almost halcyon days as an openly gay Airman First Class where my boyfriend and I could be together and everybody in my flight knew about us They could have been halcyon days that is if it hadn't been for the madness of the war and the schizophrenia of the American public over that southeast Asian conflict and if it hadn't been for the wife I left back home and the child we had What should have been idyllic days of my youth spent proudly serving my country as a gay soldier were misspent instead trying to make sense of what had gone so terribly wrong so fast one day I was a gay college student the next a self loathing homosexual trapped in a straight marriage and the next a GI in the military machine during Vietnam Come to think of it I wouldn't change a thing

The Pleasures of Time Stephen Harold Riggins, 2009-11-08 American born Stephen Harold Riggins and French born Paul Bouissac have been partners for over thirty years This book is the story of their complex and fascinating relationship OCo set

in Paris Toronto Newfoundland and Indiana with a cast of characters including celebrated critics Northrop Frye Michel Foucault Hélène Cixous and Claude Lévi Strauss. *OCO* but it is also very much more. Spanning over most of the past century, *The Pleasures of Time* is an important work of cultural studies and intellectual history tracing the growth of a committed gay relationship at the same time as it charts important cultural and intellectual trends. For example, Paul Bouissac, the subject of this loving memoir, is one of the world's foremost authorities on circus as well as a member of the Nouveau Roman literary movement of the 1950s and 1960s. Author Stephen Harold Riggins, who bases the book on the diaries he has kept since the early 1970s, recreates in expert sepia tones the cafés of Paris, his home state of Indiana, and rural country circuses of 1960s southern Ontario among other locales.

Still Beautiful Katie Piper, 2025-06-10. Age is a gift not everybody is given. A beautifully thoughtful, considered, and candid read. As always, Katie's trademark warmth and grace shines through. Stacey Dooley, TV presenter and author, 'When a life-threatening acid attack left Katie Piper physically and visibly scarred at just 24, her approach to ageing was irrevocably changed. She now sees each passing year as a reminder of the privilege of being alive. Over a decade on from sharing her story for the first time, Katie reflects on what it means to age well within a world that has too often made women feel irrelevant or invisible for going through the natural ageing process. From how to know your worth to how to take up space in a society that tells you to be small, this book will help you cultivate a confidence you can depend on and find the real beauty in getting older.' Katie Piper OBE is an international bestselling author, inspirational speaker, TV presenter, and charity campaigner. She is a regular panelist on ITV's *Loose Women* and a presenter for BBC Radio 2. Katie shared her remarkable story in a Channel 4 documentary called *Katie: My Beautiful Face*, which was watched by over 3.5 million viewers and nominated for a BAFTA in 2010.

The Golden Boy Robert Hatch, 2013-12-02. This is the first autobiography to be published by The Haworth Press. This is the first autobiography to be published by Harrington Park Press. The place is New York City. The time is the decade before the plague of AIDS. Thousands of gay men were living a free-wheeling lifestyle of club hopping, score hunting, sex without fear, and upward mobility. To none did The Big Apple offer greater rewards than to those young men who had the envied male model look. Author James Melson belonged to this exclusive clique; he was tall, blond, muscular, and very straight-looking. He was a model at 19 and by 25 was a highly successful Wall Street banker. His good looks offered him immediate entry into exclusive clubs and onto the sexual fast track with actors, male models, and other members of the Clique. The author brings you behind the scenes into the lifestyle of the handsome Clique, providing details of the vigorous and entertaining excitement of the times. He exposes, for one of the few times in print, the lesser-known attitudes of the Clique and their disdain for ugly faggots, their obsession with strictly the chic and glamorous, and the fast-lane life of partying and sex. For 200 pages, the reader is brought back to the era that for many older readers is just a memory and for younger readers a time they never knew when to be a Golden Boy was to be a prince and sex was only fun and games. *The Golden Boy* autobiography ends when the author is diagnosed with AIDS, abandoned by a

lover and friends and left to look back on his life with a growing perspective The role of good looks and people with AIDS is rarely talked about particularly by gay survivors whose lesser appeal was once perhaps a curse but then ultimately their saving grace This is not just another AIDS autobiography but a document dealing indirectly with this fact of life The autobiography is introduced by Larry Mass MD an internationally recognized social historian physician who examines the Culture of Narcissism in that era Arnie Kantrowitz then presents an astonishingly frank and perhaps shocking Epilogue which will have many readers wanting to re read the book
