Myer Myers Goldsmith 1723 1795:

Myer Myers, Goldsmith, 1723-1795 Jeanette Whitehill Rosenbaum, Kathryn C. Buhler, Jewish Publication Society of America, 1954 **Myer Myers, Goldsmith, 1723-1795** Jeanette Whitehill Rosenbaum, 1954 This timely compilation of the life and work of Myer Myers offers a new chapter in the fascinating and constantly growing interest in the field of Early American Silversmithing Foreward *The Colonial and Early National Period 1654-1840* Jeffrey S. Gurock, 2014-02-04 The first volume contains articles on a variety of areas including Jewish involvement in the War of Independence and in the American Revolution the New York Jewish Community of the time and a look at the Dutch and English Jews of the period

The Jewish Sanctuary Joseph Gutmann, 2023-08-21 The Arts in Early American History Walter Muir Whitehill, 2012-12-01 This summary essay and the heavily annotated bibliography covering the period from the first colonization to 1826 are primarily intended to aid the scholar and student by suggesting areas of further study and ways of expanding the conventional interpretations of early American history Originally published in 1935 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value JPS: The Americanization of Jewish Culture, 1888-1988 Jonathan D. Sarna, 2021-09 Published to mark the 100th anniversary of The Jewish Publication Society Jonathan Sarna s engaging blend of anecdote and analysis presents the personalities and the controversies the struggles and the achievements behind a century of publishing by the oldest English language publisher of Jewish books in the world Includes black and white photographs and extensive listings of JPS officers and editors governing boards and authors translators and illustrators up to 1988 *Exploring American Jewish History through 50 Historic Treasures* Avi Y. Decter, 2024-03-05 Exploring American Jewish History through 50 Historic Treasures offers students and general readers new perspectives on the rich complexity of Jewish experiences in America As one of America s most fascinating and enduring minorities American Jews have played key roles in every era of American history and every region of the country The 50 treasures are depicted in full color and range from a family cookbook to a college campus and include items that are iconic ordinary and whimsical Each of the treasures is described in historical material and visual contexts offering readers new unexpected insights into the meanings of Jewish life history and culture *A Biographical Dictionary of Early American Jews* Joseph R. Rosenbloom, 2021-03-17 A remarkable reference for those interested in American Jewish history comprising approximately four thousand names and supplemental data Here is a near complete list of persons identifiable as Jews in America by 1800 the result of a thorough search of manuscript materials and published literature for the names of Jews who lived in America including Canada up to 1783 during the seventeenth and eighteenth centuries No other study provides comparable information for such an ethnic group in this country The result of a years long effort that began as a rabbinical

thesis for the Hebrew Union College Jewish Institute of Religion and was eventually expanded it serves as an essential reference for historians and other researchers

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

The Cultural Life of the American Colonies Louis B. Wright, 2012-04-30 Sweeping survey of 150 years of colonial history 1607 1763 offers authoritative views on agrarian society and leadership non English influences religion education literature music architecture and much more 33 black and white illustrations

The Forerunners Robert P. Swierenga, 2018-02-05 He details the contributions and the leadership provided by the Dutch Jews and relates how they lost their Dutchness and their Orthodoxy within several generations of their arrival here and were absorbed into broader American Judaism

American Jewish Archives, 1955

Publications of the American Folklife Center ,1977 **Dictionary Catalog of the Klau Library, Cincinnati** Hebrew Union College-Jewish Institute of Religion. Library,1964 **Bulletin - The St. Louis Art Museum** ,1984 Antisemitism in America Leonard Dinnerstein,1995-11-02 Is antisemitism on the rise in America Did the hymietown comment by Jesse Jackson and the Crown Heights riot signal a resurgence of antisemitism among blacks The surprising answer to both questions according to Leonard Dinnerstein is no Jews have never been more at home in America But what we are seeing today he writes are the well publicized results of a long tradition of prejudice suspicion and hatred against Jews the direct product of the Christian teachings underlying so much of America s national heritage In *Antisemitism in America* Leonard

Dinnerstein provides a landmark work the first comprehensive history of prejudice against Jews in the United States from colonial times to the present His richly documented book traces American antisemitism from its roots in the dawn of the Christian era and arrival of the first European settlers to its peak during World War II and its present day permutations with separate chapters on antisemitism in the South and among African Americans showing that prejudice among both whites and blacks flowed from the same stream of Southern evangelical Christianity He shows for example that non Christians were excluded from voting in Rhode Island until 1842 North Carolina until 1868 and in New Hampshire until 1877 and demonstrates how the Civil War brought a new wave of antisemitism as both sides assumed that Jews supported with the enemy We see how the decades that followed marked the emergence of a full fledged antisemitic society as Christian Americans excluded Jews from their social circles and how antisemitic fervor climbed higher after the turn of the century accelerated by eugenicists fear of Bolshevism the publications of Henry Ford and the Depression Dinnerstein goes on to explain that just before our entry into World War II antisemitism reached a climax as Father Coughlin attacked Jews over the airwaves with the support of much of the Catholic clergy and Charles Lindbergh delivered an openly antisemitic speech to an isolationist meeting After the war Dinnerstein tells us with fresh economic opportunities and increased activities by civil rights advocates antisemitism went into sharp decline though it frequently appeared in shockingly high places including statements by Nixon and his Chairman of the Joint Chiefs of Staff It must also be emphasized Dinnerstein writes that in no Christian country has antisemitism been weaker than it has been in the United States with its traditions of tolerance diversity and a secular national government This book however reveals in disturbing detail the resilience and vehemence of this ugly prejudice Penetrating authoritative and frequently alarming this is the definitive account of a plague that refuses to go away

Bulletin of the City Art Museum of St. Louis ,1984 **Harvard Guide to American History** Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others
