[The Apocalypse Revealed Wherein are Disclosed the Mysteries There Foretold](#) Emanuel Swedenborg, 1909

[The Jesus Mysteries](#) Timothy Freke, Peter Gandy, 2001-12-18

Drawing on the cutting edge of modern scholarship, this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure. Whether you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations, *The Jesus Mysteries* deserves to be read. Fort Worth Star Telegram. Far from being eyewitness accounts as is traditionally held, the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris/Dionysus. The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery. A little more than a century ago, most people believed that the strange story of Adam and Eve was history; today it is understood to be a myth. Within a few decades, authors Timothy Freke and Peter Gandy argue, we will likewise be amazed that the fabulous story of God incarnate, who was born of a virgin, who turned water into wine, and who rose from the dead, could have been interpreted as anything but a profound parable.

[Rainbow of Mysteries](#) Norman C. Habel, 2012

Have you ever wondered how you can connect with the sacred in nature or whether there is anything sacred in nature? Has the Christian

tradition obscured the sacredness of nature Is the Bible alive to the wonder of creation How can we sustain a sense of mystery and an appreciation of the sacred in nature In the biblical Flood narrative the rainbow was the sign of God s covenant promise to never again to destroy the Earth with ood waters The rainbow served to remind God of God s own bond with Earth My rainbow says Habel represents my covenant promise to explore my bonds with Earth my spiritual connections with creation Each colour represents an often overlooked aspect of creation and inspires the reader to consider our place in nature Using poetry and prose Norman Habel journeys deep into his personal experiences of the sacred in nature from his initial sense of alienation from Earth to his eventual homecoming Along the way he investigates seven wonders of nature and their spiritual dimensions or mysteries He explores biblical texts that praise or suppress creation and examines each mystery through the lens of ecology and his own experiences Ultimately his goal is to discern how to sustain each mystery and its spiritual dimension The book includes a suggested workshop outline and seven rites to explore mystery in nature

The Mystery and Destiny of the Church Rosena Marie,2008 In The Mystery and Destiny of the Church Dominican Sister Rosena Marie explores the reality of Gods loving intervention in creation and illuminates His millennia long plan for redeeming it the plan that we have come to call Salvation History Mysteries; or, Faith the knowledge of God [by R.Cruise]. Richard Cruise,1861

The great mystery of the great whore unfolded; and Antichrist's kingdom revealed unto destruction George Fox,1831

God's Mystery That Is Christ Seok Lyun Chang Soppe,2014-04-07 At some point during our religious journey we have to ask ourselves the questions How much do we really know God Are we spiritually dead or alive And what phase is our faith in Beginning with the first chapter of Genesis Gods mystery is hidden throughout the Bible This book sets forth the importance of the creation story and describes the significance of each day In addition it reveals the secret of the Trinity and the meaning of Revelations Armageddon war including the seven seals trumpets bowls and the 666 Gods intentions are hidden in the Bible A certain level of openness to the Bible is required to uncover Gods mystery that is hidden within it This book was written for those who are on a quest to make a connection with God and to support the readers relationship with Christ It is meant to be read along with The Holy Bible and not in place of it The objective of this book is to challenge our preconceptions about biblical truths so that we may be able to discern Gods intent with the Spirit of Truth This book is a great guide for those who thirst for the Spirit of God It is a must read for all those seeking the Truth The deep intentions within Gods Word are revealed to those who eagerly search for it Rev B So Jin Church of True Life
