Mysteries Of The Orient Jadoo:

Mysteries of the Orient John A. Keel, 1957 *Mysteries of the Orient: Jadoo* John Keel, 2016-12-30 Someone we know not who once called Jadoo the greatest book ever written on the black magic of the Orient But we do know that there will never again be another book like it Jadoo a Hindi word meaning Black Magic captures a world that is now lost to us the strange dark mysterious world that was once called the Orient This story of a real life Indiana Jones of the 1950s named John Keel contains everything but a trip to Venus in a flying saucer a subject our newsman explorer would become famous for a decade later In Egypt the fearless Keel was cursed by a mummy and befriended members of a strange snake charming cult In Iraq he played Russian roulette with a notorious desert bandit and lived among the Yezidi devil worshippers Later in India he was buried alive and discovered the secret of the Indian rope trick which he then performed for incredulous reporters in New Delhi And in a riveting finale he chased the Abominable Snowman through the little known Himalayan kingdom of Sikkim before being unceremoniously booted out of Singapore for being an undesirable alien One of the most traveled and imaginative raconteurs since Baron Munchausen The San Francisco Examiner Here is a fireside adventure with a chill in it The Buffalo Evening News A fabulous tour of Egypt the Middle East India and Tibet The Hartford Times A combination of cliff hanging experiences with serious probing for the bizarre the secretive and the enigmatic Kirkus **North American**

Monsters David J. Puglia, 2022-03-15 Mining a mountain of folklore publications North American Monsters unearths decades of notable monster research Nineteen folkloristic case studies from the last half century examine legendary monsters in their native habitats focusing on ostensibly living creatures bound to specific geographic locales A diverse cast of scholars contemplate these alluring creatures feared and beloved by the communities that host them the Jersey Devil gliding over the Pine Barrens Lieby wriggling through Lake Lieberman Char Man stalking the Ojai Valley and many many more Embracing local stories beliefs and traditions while neither promoting nor debunking North American Monsters aspires to revive scholarly interest in local legendary monsters and creatures and to encourage folkloristic monster legend sleuthing
