UFO Weapons Jack Follett, 2010 UFO sightings during and after World War II can be traced back to the German weapons makers and their amazing use of electro gravity to power their own manmade ships Many of the ships appear to bear the sign of the Nazi cross on their outer skin which is shown in several of the more dramatic photos in the same way that an airplane would bear insignia on its wings and fuselage This is further borne out by actual newsclippings from The New York Times in which U S soldiers in Europe reported seeing colored spheres flying both singly and in clusters during the war The idea that the Germans were using a secret base in Antarctica to house and maintain their so called UFOs is examined and Admiral Byrd s famous exploratory trip to the frozen south is explained as a military attack on the Nazi stronghold disguised as a scientific mission Apparently the U S forces were no match for the Nazi airships which shot down several planes and forced Byrd s troops to retreat

Ufos A. R. Roberts, 2016-12-01 UFOs What Is the Government Really Covering Up is not just another book about the 1947 Roswell crash Ingeniously Roberts takes a step back and offers an in depth survey of the UFO phenomenon as a whole Using familiar case studies of alien encounters as examples he casts a wide net that shows a clear pattern of extraterrestrial visitation and the ensuing cover up by US and world governments In the end the reader cannot help coming away with the same conclusion that something is going on and our government knows it A must read for those interested in ufology conspiracy theories and ancient aliens

Rita Louise PhD author of ET Chronicles What Myth and Legend Say about Human Origin While a seemingly unexplained event in Roswell New Mexico in 1947 exposed the American people to the phenomenon of unidentified flying objects or UFOs these mysterious sightings have a history that reaches far back into our collective past Ancient megalithic structures biblical stories and even prehistoric art and cave paintings point to the existence of nonterrestrial life and with advanced technology new recordings and the Internet more evidence points to their continued presence today Why then do we the public know so little Why has the media ignored credible reports from eyewitnesses and ufologists And why have world governments suppressed these facts from their citizens The UFO enigma is an extremely complex jigsaw puzzle comprised of many pieces However they fit together in a way that presents a cohesive theory when you connect all the dots
