William John Phythian-Adams

Mysteries Of Mithra:

The Mysteries of Mithra Franz Cumont, 1903 The Mysteries of Mithras Payam Nabarz, 2005-06-09 An overview of Mithraism the ancient Roman mystery religion popular in the Roman Legions Provides a comprehensive history of Mithraism including its influence on Christianity and Islam Includes rituals meditations and teaching tales for readers who wish to follow the Mithraic path Studies the evolution and divergence of the Eastern Persian and Western Roman forms of Mithraism The Mysteries of Mithras presents a revival of the magical practices and initiatory system of Mithraism the ancient Roman mystery religion that was immensely popular in the Roman Legions from the late second century B C until A D 400 and was taken to every corner of the Roman Empire As the last pagan state religion in Europe it was the most important competitor to early Christianity and heavily influenced Christian doctrine and symbolism The parallels between Christianity and ancient Mithraism are striking for example the god Mithra was born of a virgin in a cave on December 25 Payam Nabarz reveals the history origins and spiritual and philosophical tenets of Mithraism and its connections to Christianity Islam and Freemasonry He also describes the modern neo pagan practice of Mithraism in evidence today and for readers who wish to adopt the Mithraic path he includes seven of its initiatory rituals and meditations as well as orations and teaching tales that open the door to the seven Mithraic grades of passage The Mysteries of Mithra Franz Cumont, 2018-12-14 First published in 1956 this seminal study by the great Belgian scholar Franz Cumont remains the definitive coverage of a great ideological struggle between the West and the Orient in the first centuries of the Christian era Mithraism a mystery religion originating in Persia spread rapidly through the Roman Empire and achieved such strength that Europe almost became Mithraic Dr Cumont the world's greatest authority on aspects of classical religions here discusses the origins of this colourful oriental religion and its association with the Roman army Then utilizing fragmentary monuments and texts in one of the greatest feats of scholarly detection he reconstructs the mystery teachings and secret doctrines the hidden organization and cult of Mithra This volume includes 70 illustrations The Mysteries of Mithra (Classic Reprint) Franz Valery Marie Cumont, 2017-10-11 The Mysteries of Mithra by Franz Valery Marie Cumont provides an in depth analysis of the Mithraic religion and its subsequent decline mainly due to the ascendance of Christianity Cumont borrows heavily from some of his previous work on the same topic by summarising detailed notes and references into its present form Mithraic religion evolved through Asiatic and Iranian roots which is highlighted in the first section of this work dealing with the origins of the religion The author does not provide any biased opinions on the question of faith instead postulating theories and observations based on historical facts One of the underlying themes in The Mysteries of Mithra is the parallels Cumont is able to draw between modern day Christianity and the Mithraic religion The conflict between this mysterious religion and Christianity is ensconced in the lack of acceptance and assimilation of two different theological strands Cumont is quick to appreciate the fact that reliable sources on Mithraic imagery are few and far between and hence some of its analysis is pivoted on probability Spread across

seven chapters The Mysteries of Mithra also contains an index for quick reference and various illustrations depicting the Mithraic religious symbolisms through its evolution The section detailing Doctrines of Mithraic Mysteries is particularly interesting as it opens up a treasure trove of lesser known facts while highlighting the subtle yet assertive similarities between Mithraism and Christianity This title is as informative and enlightening for the casual enthusiast as it would be for scholars and students of religion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Mysteries of Mithra Franz Valery Marie Cumont, 2015-06-27 The Mysteries of Mithra by Franz Valery Marie Cumont provides an in depth analysis of the Mithraic religion and its subsequent decline mainly due to the ascendance of Christianity Cumont borrows heavily from some of his previous work on the same topic by summarising detailed notes and references into its present form Mithraic religion evolved through Asiatic and Iranian roots which is highlighted in the first section of this work dealing with the origins of the religion The author does not provide any biased opinions on the question of faith instead postulating theories and observations based on historical facts One of the underlying themes in The Mysteries of Mithra is the parallels Cumont is able to draw between modern day Christianity and the Mithraic religion The conflict between this mysterious religion and Christianity is ensconced in the lack of acceptance and assimilation of two different theological strands Cumont is quick to appreciate the fact that reliable sources on Mithraic imagery are few and far between and hence some of its analysis is pivoted on probability Spread across seven chapters The Mysteries of Mithra also contains an index for quick reference and various illustrations depicting the Mithraic religious symbolisms through its evolution The section detailing Doctrines of Mithraic Mysteries is particularly interesting as it opens up a treasure trove of lesser known facts while highlighting the subtle yet assertive similarities between Mithraism and Christianity This title is as informative and enlightening for the casual enthusiast as it would be for scholars and students of religion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Mysteries of Mithras** Attilio Mastrocinque, 2017-08-07 Attilio Mastrocinque explains the mysteries of Mithras in a new way
