Martin,2007-04-17 Why does every one of my friends have an eating disorder or at the very least a screwed up approach to food and fitness writes journalist Courtney E Martin The new world culture of eating disorders and food and body issues affects virtually all not just a rare few of today s young women They are your sisters friends and colleagues a generation told that they could be anything who instead heard that they had to be everything Driven by a relentless quest for perfection they are on the verge of a breakdown exhausted from overexercising binging purging and depriving themselves to attain an unhealthy ideal An emerging new talent Courtney E Martin is the voice of a young generation so obsessed with being thin that their consciousness is always focused inward to the detriment of their careers and relationships Health and wellness joy and love have come to seem ancillary compared to the desire for a perfect body Even though eating disorders first became generally known about twenty five years ago they have burgeoned worsened become more difficult to treat and more fatal 50 percent of anorexics who do not respond to treatment die within ten years Consider these statistics Ten million Americans suffer from eating disorders Seventy million people worldwide suffer from eating disorders More than half of American women between the ages of eighteen and twenty five would pre fer to be run over by a truck or die young than be fat More than two thirds would rather be mean or stupid Eating disorders have the

highest mortality rate of any psychological disease In *Perfect Girls Starving Daughters* Martin offers original research from the front lines of the eating disorders battlefield Drawn from more than a hundred interviews with sufferers psychologists nutritionists sociocultural experts and others her expos reveals a new generation of perfect girls who are obsessive compulsive overachieving and self sacrificing in multiple and often dangerous new ways Young women are told over and over again Martin notes that we can be anything But in those affirmations assurances and assertions was a concealed pressure an unintended message You are special You are worth something But you need to be perfect to live up to that specialness With its vivid and often heartbreaking personal stories *Perfect Girls Starving Daughters* has the power both to shock and to educate It is a true call to action and cannot be missed *New York Magazine* ,1996-04-29

Pat Metheny Mervyn Cooke,2017 The guitarist and composer Pat Metheny ranks among the most popular and innovative jazz musicians of all time In *Pat Metheny The ECM Years 1975 1984* Mervyn Cooke offers the first in depth account of Metheny s early creative period during which he recorded eleven stunningly varied albums for the pioneering European record label ECM Edition of Contemporary Music This impressive body of recordings encompasses both straight ahead jazz playing with virtuosic small ensembles and the increasingly complex textures and structures of the Pat Metheny Group a hugely successful band also notable for its creative exploration of advanced music technologies which were state of the art at the time Metheny s music in all its shapes and forms broke major new ground in its refusal to subscribe to either of the stylistic poles of bebop and jazz rock fusion which prevailed in the late 1970s Through a series of detailed analyses based on a substantial body of new transcriptions from the recordings this study reveals the close interrelationship of improvisation and pre composition which lies at the very heart of the music Furthermore these analyses vividly demonstrate how Metheny s music is often conditioned by a strongly linear narrative model both its story telling characteristics and atmospheric suggestiveness have sometimes been compared to those of film music a genre in which the guitarist also became active during this early period The melodic memorability for which Metheny s compositions and improvisations have long been world renowned is shown to be just one important element in an unusually rich and flexible musical language that embraces influences as diverse as bebop free jazz rock pop country western Brazilian music classical music minimalism and the avant garde These elements are melded into a uniquely distinctive soundworld which above all directly reflects Metheny s passionate belief in the need to refashion jazz in ways which can allow it to speak powerfully to each new generation of youthful listeners [Sex Matters](#) Mindy Stomblor,2004
