Mysterious Ways Luz E. Trahan, 2011-10-19 *Mysterious Ways* is about Miracles that saved lives including my own Divine intervention that kept an 11 year old girl from being abducted Premonitions where tragedy or devastation followed A one on one with a spiritual being All stories are based on real events This could be a message of hope for those who wonders the existence of a higher power For the unbelievers or for the ones with doubt This is not about religion this goes way beyond that This were not dreams this were actual facts

Unto Us Is Born J. Benton White, 2011-02 *The Journal of Gas Lighting, Water Supply & Sanitary Improvement*, 1908 *Flirting with Misadventures* Constancio Sulapas Asumen, 2011-09 The material represents a due diligence attempt to chronicle via a series of seemingly random and incidental episodes narrated in the first person the evolutionary journey of my consciousness from the edge of the wilds of Mindanao Philippines to the rough and tumble of the streets of Manhattan New York City with all the tedious yet not the

least thrilling detours in between Random in the sense that I had to single out and focus on specific and discrete pivotal decision points which ushered in a definitely recognizable qualitative change in my perception of my unique attributes as an individual on leaving such decision bifurcations In a broader context the three parts of the book represent three distinct non sequential evolutionary phases of my consciousness The Narratives represent the age of ambition when the drive to transcend reigned supreme The Poetry I deem to represent the seemingly unquenchable deliberative age of simultaneous inspiration enlightenment and illusion The Essays represent the age of rational resignation or better yet resigned rationalization when you give in to the impulsive reflex to explain away the developments which you know affect your physical and spiritual well being

The Chronicles of All-Time: Dr. Jurgen Vanhauwe,2014-11-22 The Chronicles of All Time is a series of books that describe the nature of time space and reality with a central storyline the life of Dr Elliott Himmerept Very much like the best seller book Life of Pi this book describes the amazing awakening story of Dr Himmerept which is an alias for the author Dr Jurgen Vanhauwe Through his visits to Heaven which are described in this first book and many strange occurrences in his perceptual reality a multi cultural and intergalactic story starts to develop The entire series will help young and adult readers understand the nature of our Universe and the multi faceted role that we play during our human life experience While the setting and the story telling is meant to be science fiction it is up to the reader to discern what parts of the book may have been taken from the real life experience of Dr Jurgen Vanhauwe and what parts are science fiction Or maybe all of it is what truly transpired The first book in this series focuses on the remembrance of who we truly are as humans and the main character s journey to openness and acceptance that life is more than it seems through our five senses With insights from our distant past and futures it becomes clear that we are not alone in this Universe and that we are part of a much larger living entity This book will help you re evaluate what is possible and what is real or not

The fall of the Berlin Wall in 1989 ushered in a tumultuous period for Russia and Ukraine The Soviet Union broke apart
Communism was exposed as morally bankrupt and Russian leaders turned to the West for help In an astonishing
development Mikhail Gorbachev and Boris Yeltsin invited a group of American evangelicals to give advice on restoring
morality to Russia The nation was moving toward democratic and religious freedoms until one decade later Vladimir Putin
abruptly reversed course He labeled most religious organizations as foreign agents and set in motion an aggressive plan to
restore the pride of the Russian world Putin s alliance with the Russian Orthodox Church and his hostility to true democracy
led to the brutal invasion of Ukraine which had opted for freedom and democracy Other books have analyzed the economic
and social dynamics in Russia and Ukraine after 1991 This one chronicles a previously untold story the role religion played in
the dissolution of the Soviet Union the rise of a newly autocratic Russia and the emergence of democracy in Ukraine What lay
