Mysterious Visions:

Visions of Jesus Phillip H. Wiebe, 1998-11-05 Ernie Hollands a career criminal said Christ appeared to him in his cell in Millhaven Penitentiary Maria Martinez saw Jesus at a busy intersection in Miami Florida Rose Fairs was lying in bed one morning when the Venetian blinds opened and the head of Jesus materialized before her Were these people only imagining a figure that seemed life like or is there a chance that what they saw was in some way real This first critical study of contemporary visions of Jesus offers the intriguing accounts of thirty people most of them ordinary men and women without prior or subsequent experiences of this kind who remain mystified about their encounters Wiebe recounts each vision in vivid detail exploring why these individuals believe their visions were of Jesus and why they typically believe them to be objective happenings rather than hallucinations or dreams He regards the occurrences from perspectives as diverse as biblical scholarship and parapsychology concluding that they may well represent genuine religious experiences of a mystical character The fascinating nature of these visions and Wiebe s thoughtful evenhanded approach to each report add up to a book that will be provocative reading for skeptics and the faithful alike *A History of Dreams, Visions, Apparitions, Ecstasy, Magnetism, and Somnambulism* Alexandre-Jacques-François Briere de Boismont, 1855 **Hallucinations, or, The rational history of apparitions, visions, dreams, ecstasy, magnetism, and somnambulism** Alexandre Jacques François Briere de Boismont, 1853 **Hallucinations; or The rational history of apparitions, visions, dreams, ectasy, magnetism and somnambulism** Alexandre Jacques Francois Briere de Boismont, 1853 **Two Esdras** Bruce W. Longenecker, 1995-01-01 Some of the greatest moments of religious history have occurred when a poignant experience or event flies in the face of the traditional theological worldview cherished by an individual or society A fascinating case study of one such occurrence lies open in the text of 4 Ezra 2 Esdras 3 14 wherein a learned Jewish scribe of the first century CE rethinks his inherited theological views concerning a transcendent creator who is powerful loving and just This guide introduces the reader in a non technical but informed manner to the text of 4 Ezra locating it in its historical theological and social setting reviewing interpretive approaches and demonstrating how the author boldly struggles to understand God s grand reputation in the light of a world out of joint The guide also examines 4 Ezra s influence within the Christian Church and introduces the historical situations and theologies of the Christian texts 5 Ezra 2 Esdras 1 2 and 6 Ezra 2 Esdras 15 16 *Curiosities Of Literature. By Isaac Disraeli. With A View Of The Life And Writings Of The Author. By His Son ; In Three Volumes* Isaac Disraeli, 1849 **How to thought-read** James Coates, 2022-07-05 Before entering upon the subject of How to Thought Read or rather range of interesting subjects grouped under this title it is proposed to deal briefly with the key to the whole which is to be found in the revelations of man s inner life soul life and character presented by somnambulism and trance whether natural or induced The use of a few simple terms having a well defined meaning will help the reader and prepare him for the more careful study of the psychic side of human life The somnambulist and trance states may be

divided for the convenience of examination into the Hypnotic or state of hypnosis the Mesmeric or somnambulistic and the Psychic or lucid somnambulistic or briefly the Hypnotic Mesmeric and Psychic states **Curiosities of literature. shifting entities spirit helpers and guardians and found himself traversing a mental physical and spiritual landscape on a path intersecting that of a fellow traveler a Hawai ian kahuna mystic named Nainoa Five thousand years into the future Nainoa had been sent by his Chief on a journey into what used to be America a once powerful land of machines and magic from which no previous voyagers had ever returned What did Nainoa seek from Dr Wesselman What did the anthropologist have to learn about his own world from this exotic traveler from another time and place Together scientist and mystic are initiated into knowledge of non ordinary levels of reality and given foreshadowings of imminent environmental political and spiritual challenges to their civilization Without abandoning his scientific objectivity Dr Wesselman abandoned himself to the mystical sometimes frightening yet always luminous experiences that brought him beyond the boundaries of ordinary consciousness The result is a fascinating and suspenseful adventure an exciting and important archeological discovery and the story of how a hard headed scientific realist stumbled on an important piece of the puzzle of human evolution Socially urgent and disturbingly prophetic Spiritwalker has a universal mythic resonance and an undeniable relevance for today as it challenges our perceptions of our world our reality and our future *Curiosities of Literature* ,1864
