**CAN FAITH IN GOD BECOME INSULT TO GOD?** K.D. THOMAS, 2014-01-01 You intend to honour and glorify God but very often end up in denigrating and insulting God Your faith says that God is totally just and upright but you try to bribe God by offering all sorts of gifts Your faith says that God knows everything including the past the present and the future and even your innermost secret thoughts and desires and what is best for a person yet you request God what He should do when where and how Your faith says that God is absolute love yet you think that whatever that happen in your life and the world like wars accidents natural calamities terrorism communal violence sickness murder and rape happen according to some mysterious plan of God Your faith says that God is a totally free and impartial judge and umpire but you try to influence and manipulate Him by your prayers vows pilgrimages and penances Your faith says that God is absolutely compassionate and merciful and yet you think that God may punish you and take revenge on you if you do not pray for His help Your faith says that God is an all perfect personality who lacks nothing but some of your faith practices depict God as an egoistic and insecure person who constantly seeks praise gratitude adoration and glorification from believers

**Banging Your Head Against Heaven** Hal Harris, 2010-08-02 Banging Your Head Against Heaven attempts to open a lighthearted yet essential conversation by looking at the human endeavor of religion in a different light Today the human race not only possess the technology to destroy ourselves but through religious fanaticism the ideal means to fulfill that destiny Can we avoid annihilation Using humor and natural curiosity as the guide this book takes the reader on an inquisitive journey into the perplexing world of organized religion and the increasingly risky effect it has on society It puts forth the notion that we must begin to free ourselves from the mire of believing that remarkable humans walk this earth in step with the mystical truth of the cosmos And it shows how for our own good we must gain a new perspective on faith Because if you envision the perfect tool humanity could offer terrorists and hate groups to assist them in wielding evil in the world it couldn't get much better than organized religion

**The Adversity Maze** Cheryl Bignell,2024-12-01 If there was an overall equation for every adversity what would it be If there was an answer to every adversity where would it originate from Does our constant overturning of a problem enable us to work it out Truthfully not always Some problems and adversities seem like enigmas How do we find our way out of the Adversity Maze What about that constant daily problem that grinds at our energy Day in and day out we wake up with it like Groundhog Day It steals our time our energy and our joy There is no problem that is unique to one individual Meaning somebody has gone through something you are going through right now and come out the other side That gives us hope that we can be on the other side of it too What did they do that you need to do Let s unpack that in our book This book is meant to be an encouragement for you I want to join you on your journey towards living with the Lord in a way which embraces this time of difficulty with an overcoming mindset Our problems can cloud our minds so much that we struggle to see the Lord in the midst of them Or to even turn to the Lord Don t let that happen Don t give up your hope and faith in God

*The Bible Exposed - Why God has Left the Building* Keith Crowley, 2012-07-19 In *The Bible Exposed* Why God has left the building the author deconstructs many of Christianity's most cherished illusions He lifts the lid off the Christian Bible's collection of scientific errors ancient myths legends and constant contradictions and demonstrates that the Bible can only be a man-made artefact untouched by divine involvement or inspiration The difference between what the Bible actually says and what Christianity teaches will astonish you For instance who killed Goliath Everyone thinks that they know the answer Everyone is amazed when they read what the Bible actually says

**Embracing Vulnerability** Roberto Sirvent, 2017-04-27 Arguments in favour of divine impassibility take many forms one of which is moral This argument views emotional risk vulnerability suffering and self-love as obstacles to moral perfection In *Embracing Vulnerability Human and Divine* the author challenges these mistaken assumptions about moral judgment Through an analysis of Hebrew thought and modern philosophical accounts of love justice and emotion Roberto Sirvent reveals a fundamental incompatibility between divine impassibility and the Imitation of God ethic *imitatio Dei* This book shows that a God who is not emotionally vulnerable is a God unworthy of our imitation But in what sense can we call divine impassibility immoral To be sure God's moral nature teaches humans what it means to live virtuously But can human understandings of morality teach us something about God's moral character If true how should we go about judging God's moral character Isn't it presumptuous to do so After all if we are going to challenge divine impassibility on moral grounds what reason do we have to assume that God is bound by our standards of morality *Embracing Vulnerability Human and Divine* addresses these questions and many others In the process Sirvent argues for the importance of thinking morally about theology inviting scholars in the fields of philosophical theology and Christian ethics to place their theological commitments under close moral scrutiny and to consider how these commitments reflect and shape our understanding of the good life

God's Voice Riaan Engelbrecht,2023-10-12 There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn t speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen
