A. Jackson,2001-08 In 1900 a female was the property of either a father or husband and for a girl of her station to become anything but a wealthy man s wife was unthinkable But Miss Abigail Patience Danforth was determined to usher in the twentieth century by becoming the world s first female consulting detective even after Dr Arthur Conan Doyle himself tries to dissuade her and Mark Twain refuses to encourage her Frederick The Earl of Hunterswell is eager to ask Miss Danforth s father for her hand but then the fabulous Punjat s ruby intended as a gift for the Prince of Wales disappears from Hunterswell House and Miss Danforth is pitched headlong into her first case With Lord Frederick in tow Miss Danforth returns to her father s Gramercy Park mansion in New York where she enlists the help of the famous actor Will Gillette who was starring in Sherlock Holmes on Broadway to help her pursue her elusive quarry risking her life to retrieve The Punjat s Ruby *Abigail* Magda Szabó,2020-01-09 A teenage girl s difficult journey towards adulthood in a time of war Szabo is skilful at creating moments of heart rending tension often through exquisite evocative prose the novel has a devastating power Spectator Of all her novels Magda Szab s Abigail is the most widely read

in her native Hungary Now fifty years after it was written it appears for the first time in English joining Katalin Street and The Door in a loose trilogy about the impact of war on those who have to live with the consequences It is late 1943 and Hitler exasperated by the slowness of his Hungarian ally to act on the Jewish question and alarmed by the weakness on his southern flank is preparing to occupy the country Foreseeing this and concerned for his daughter s safety a Budapest father decides to send her to a boarding school away from the capital A lively sophisticated somewhat spoiled teenager she is not impressed by the reasons she is given and when the school turns out to be a fiercely Puritanical one in a provincial city a long way from home she rebels outright Her superior attitude offends her new classmates and things quickly turn sour It is the start of a long and bitter learning curve that will open her eyes to her arrogant blindness to other people s true motives and feelings Exposed for the first time to the realities of life for those less privileged than herself and increasingly confronted by evidence of the more sinister purposes of the war she learns lessons about the nature of loyalty courage sacrifice and love Translated from the Hungarian by Len Rix **The Churchman** ,1908
