and wisely never trusted religious leaders As comprehensive validation of this they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia When these decoded details are compared to the history words and deeds of these religions and their leaders they finally prove the truth about many long hidden things These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth Arrogant religious leaders while hypocritically lecturing others about morality have long overlooked that the ancient sages and prophets were painfully aware of their then current and future misdeeds and deceptions and patiently and expertly prepared for them *Barney and the UFO* Margaret Goff Clark,1979 Barney is afraid to tell his foster parents that he has seen a UFO behind the house even when a hasty promise to a space boy leads him into trouble **The Female of the Species** Joyce Carol Oates,2005 In these gripping and disturbing tales women are confronted by the evil around them and surprised by the evil they find within themselves With wicked insight Oates demonstrates why the females of the species are by nature more deadly than the males **The Plumed Serpent** D.H.
