Solving the Mysteries of the Dead Sea Scrolls Edward M. Cook, 1994 The story of the Dead Sea Scrolls reads like a whodunit novel full of intrigue and mystery The intrigue lies in the internecine struggles among scholars entrusted with their study and safekeeping Their mystery lies in just how much they can tell us about biblical times and life in the early Christian church From 1947 when the first scrolls were discovered in the caves around Qumran until the mid eighties when the academic gridlock began to break up they have left us with many more questions than answers Who wrote the scrolls What connection do they have with Jewish sects or early Christianity And what light do they shed on biblical times and the Bible itself With the rediscovery of the scrolls in recent years their significance to biblical studies is once again in the spotlight This book provides to students and lay Christians an overview of the scrolls controversial history and the various theories scholars hold about them It is an excellent readable introduction to who's who and what's what in the study of the Dead Sea Scrolls

Mystery of the Dead Sea Scrolls - Revealed (Large Font) Spencer Hawke, 2015-08-13 June 21 2014 Mystery of the Dead Sea Scrolls Revealed by Spencer Hawke is a historical fiction novel about one man's valiant efforts at protecting religious scrolls from the Romans Something I love about the book is that it is not a linear story You are given a bunch of different perspectives Many of the perspectives are at different locations and time periods As someone who has read a bit of the Bible I enjoyed seeing the Biblical figures in the story e.g. Lazarus Crowe clearly did a lot of research and background reading while coming up with this story That said the fiction elements of this book the characters and plot are fresh and engaging Crowe writes in a way that is descriptive yet flows well so the book is a relatively quick read Overall a fun historical fiction that anyone who likes history and a good story will enjoy **The Mystery of the Dead Sea Scrolls** Fine Arts Museums of San Francisco, Melissa Leventon, 1994 **Mystery of the Dead Sea Scrolls - Revealed** Spencer Hawke, 2016-12-16 Jerusalem A history of Israel Mystery of the Dead Sea Scrolls Revealed A biblical thriller that pits the

guardians of sacred texts against invading Romans This historical fiction novel tells the story of a man from the desert in the first century who had a dream come to him that would alter Jewish Culture If it was his destiny the journey it required would surely mean death Would religious inspiration be enough Who was he a simple Rabbi born the lowly son of a Bedouin Shepherd to go up against the Roman Army Would he turn his back on his calling or follow his path to its deadly end Only he could save the sacred texts lying within the walls of Jerusalem s great Temple Caesar would see the city destroyed and the Temple reduced to rubble in his bid to conquer the Jews and the rising Christ followers among them Blood would be shed to save the scrolls but how

Memory and Oblivion Rachel Elor,2014-11-15 This book presents a new perspective on the meaning and significance of the Dead Sea Scrolls It is founded on the contention that the remains of the 1000 sacred scrolls that were found in Qumran on the Dead Sea western shore between 1947 1956 are part of a huge priestly library This library was lost because of religious conflicts between two rival priestly hegemonies in the last two centuries BCE priests of the house of Zadok and priests of the house of Hasmonai and between two rival hegemonies in the first two centuries of the Common era Sadducees and Pharisees

The Dead Sea Scrolls John Desalvo (Ph.D.),2009 Who Wrote the Dead Sea Scrolls? Dr Norman Golb,2013-02 Dr Norman Golb s classic study on the origin of the Dead Sea Scrolls is now available online Since their earliest discovery in 1947 the Scrolls have been the object of fascination and extreme controversy Challenging traditional dogma Golb has been the leading proponent of the view that the Scrolls cannot be the work of a small desert dwelling fringe sect as various earlier scholars had claimed but are in all likelihood the remains of libraries of various Jewish groups smuggled out of Jerusalem and hidden in desert caves during the Roman siege of 70 A D Contributing to the enduring debate sparked by the book s original publication in 1995 this digital edition contains additional material reporting on new developments that have led a series of major Israeli and European archaeologists to support Golb s basic conclusions In its second half the book offers a detailed analysis of the workings of the scholarly monopoly that controlled the Scrolls for many years and discusses Golb s role in the struggle to make the texts available to the public Pleading for an end to academic politics and a commitment to the search for truth in scrolls scholarship Who Wrote the Dead Sea Scrolls sets a new standard for studies in intertestamental history This book is must reading It demonstrates how a particular interpretation of an ancient site and particular readings of ancient documents became a straitjacket for subsequent discussion of what is arguably the most widely publicized set of discoveries in the history of biblical archaeology Dr Gregory T Armstrong Church History Golb gives us much more than just a fresh and convincing interpretation of the origin and significance of the Qumran Scrolls His book is also a fascinating case study of how an idee fixe for which there is no real historical justification has for over 40 years dominated an elite coterie of scholars controlling the Scrolls Daniel O Hara New Humanist
