**Mysterious Lost Objects** Linda Hill, AI, 2025-04-03 *Mysterious Lost Objects* explores the intriguing world of items vanished from history, examining their impact on our understanding of the past. From lost treasures to vanished inventions and missing artifacts, the book investigates the circumstances surrounding their disappearance and the void they've left in our collective knowledge. One might be surprised to learn about the Amber Room, a chamber of unparalleled beauty that disappeared during World War II, or the secrets behind Damascus steel, a metalworking technique lost to time. These disappearances prompt us to question established narratives and re-evaluate historical assumptions. The book delves into three core themes, starting with lost treasures like Confederate gold, then shifting to vanished inventions such as Greek Fire, and finally analyzing missing artifacts like the Ark of the Covenant. Each section explores the historical context, known whereabouts, and theories surrounding their disappearances. By drawing upon historical sources, archaeological findings, and technological analyses, *Mysterious Lost Objects* offers a unique lens through which to examine human history and highlights the enduring fascination with things that are missing.

[Murder At The Music Hall \(Auguste Didier Mystery 8\)](#) Amy Myers, 2013-10-24 The eighth Auguste Didier mystery. It's 1902 and Auguste Didier finds himself reluctantly recruited for a week's work at the Old King Cole music hall in the East End. Ostensibly there as chef of its greasy run-down eating house, Auguste has another role: to prevent a possible foul murder by being constant bodyguard to famous comedian Will Lamb. At first Will's fears of being the victim of someone's murderous intentions seem unfounded. After all, he's only had a portentous dream and he's really rather popular. But when other, more sinister omens occur, Auguste begins to sense real danger and Will Lamb dies on stage in front of his eyes. The search is on for a killer and it has to be someone who's had access to the props. Auguste's job is made more complicated by the fact that a national treasure has also been reported missing from Windsor Castle. And there are enough tenuous threads to indicate that the crimes must somehow be linked.
