Strangers at Witchend Malcolm Saville,1970-01-01

You Girls Stay Here Elizabeth Poynter,2018-12-14 This book will

be of interest to students of both children s literature and gender studies It re examines a period long considered to be of poor quality as regards children s books It explores a range of themes such as female agency power and courage and additionally gives a linguistic analysis of selected texts The book adopts a socio cultural approach placing the authors in their historical context By focusing on a small number of authors in depth it discovers subtleties perhaps ignored by a broad brush approach While reflecting their era in some respects these writers also demonstrated individuality in their representation of gender offering a wider range of models to their readers than previous critics have acknowledged Liverpool's Children in the 1950s Pamela Russell,2012-01-31 Full of the warmth and excitement of growing up in the 1950s awakening nostalgia for times that seemed cosy and carefree with families at last enjoying peacetime this book is packed with the experience of school days playtime holidays toys games clubs and hobbies conjuring up the genuine atmosphere of a bygone era As the decade progressed rationing ended and children s pocket money was spent on goodies like Chocstix Spangles Wagon Wheels and Fry s Five Boys Television brought Bill and Ben The Adventures of Robin Hood and for teenagers The Six Five Special along with coffee bars and rock n roll This book opens a window on an exciting period of optimism when anything seemed possible described by the children and teenagers who experienced it Liverpool s traditional sense of community strengthened by the war years provided a secure background from which children and teenagers could welcome a second Elizabethan era
