J. Washington,2022-08-01 Sweet Mother of Christ Hallelujah Seems like an avalanche has rolled up to my door The mailbox was stuffed with letters from several different organizations and a couple of catalogs and being a Tuesday there was also a wad of junk mail Remembering the thick manila envelope I'd received from the VFW Veterans of Foreign Wars in mid January with an assortment of gifts a nice tablet size calculator all occasion cards address labels a couple of notepads a calendar even a gift bag My conscience just wouldn't let me rest after receiving all these cool little gifts I just had to send a donation to help with postage and handling I think that's what caused the avalanche of mail that landed at my door Deciding right then to keep a count of all incoming mail I began to write down the names and contents of

each envelope thinking it couldn't possibly be too many more after this shipment. Boy was I ever wrong. I started receiving cards of all kind prayer booklets prayer relics rosaries crucifixes and medals. Besides the letters the phone calls started so I started listing them too. Within a couple of weeks I had accumulated several pages of organizations requesting help either by phone or postal service. And the brain being the peculiar organ that it is, my brain anyway, it gets restless at times for more activity. Firing up the computer I started a real list of all the charitable organizations I hear from daily and decided to make my list an open project.
