Mystery Illness:

The Lady's Handbook for Her Mysterious Illness Sarah Ramey, 2021-05-11 The darkly funny memoir of Sarah Ramey's years long battle with a mysterious illness that doctors thought was all in her head but wasn't. In her harrowing darkly funny and unforgettable memoir Sarah Ramey recounts the decade long saga of how a seemingly minor illness in her senior year of college turned into a prolonged and elusive condition that destroyed her health but that doctors couldn't diagnose or treat. Worse as they failed to cure her they hinted that her devastating symptoms were psychological. *The Lady's Handbook for Her Mysterious Illness* is a memoir with a mission to help the millions of mostly women who suffer from unnamed or misunderstood conditions: autoimmune illnesses, fibromyalgia and chronic fatigue syndrome, chronic Lyme disease, chronic pain and many more. Ramey's pursuit of a diagnosis and cure for her own mysterious illness becomes a page turning medical mystery that reveals a new understanding of today's chronic illnesses as ecological in nature, driven by modern changes to the basic foundations of health from the quality of our sleep, diet and social connections to the state of our microbiomes. Her book will open eyes, change lives and ultimately change medicine. *The Lady's Handbook for Her Mysterious Illness* is a revelation and an inspiration for millions of women whose legitimate health complaints are ignored.

Medical Medium Anthony William, 2021-03-23 From the #1 New York Times best selling author of the *Medical Medium* series, a revised and expanded edition of the book that started a health revolution. Anthony William, the *Medical Medium*, has helped millions of people heal from ailments that have been misdiagnosed or ineffectively treated or that doctors can't resolve on their own. His tools and protocols achieve spectacular results even for those who have spent years and many thousands of dollars on all forms of medicine before turning to him. They are the answers to rising from the ashes. *Medical Medium* reveals the true causes of chronic symptoms, conditions and diseases that medical communities continue to misunderstand or struggle to understand at all. It explores the solutions for dozens of the illnesses that plague us, including Lyme disease, fibromyalgia, adrenal fatigue, ME/CFS, hormonal imbalances, Hashimoto's disease, MS, RA, depression, neurological conditions, chronic inflammation, autoimmune disease, blood sugar imbalances, colitis and other digestive disorders and more.
