The Radical Right and the Murder of John F. Kennedy Harrison E. Livingstone, 2004 The Radical Right and the Murder of John F Kennedy Stunning Evidence in the Assassination of the President Harrison E Livingstone s major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963 The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men

and companies who backed them. It then describes the cover ups by the media, the major investigations over the years, the FBI and the mind control cooperation at work in the case to misdirect researchers and the public. The book describes in great detail the people and companies in Texas who planned and carried out the assassination. It names names. One recent investigation in the 90s followed Mr Livingstone's preceding work and reinvestigated with the witnesses both he and the official investigations had talked to, but this time took into consideration their documentation and what they had actually said, and in a chapter this is his stunning new evidence from the U S government under President Clinton that is blowing the lid off the case. Mr Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference. As a result, Mr Livingstone was on all major TV networks and on the Today show, NBC with Katie Couric the next morning. The book also contains the story of Dallas doctor Charles Crenshaw's law suit and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992. Dr Crenshaw's book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr Livingstone's major work on the medical evidence. High Treason 2 were JAMA's targets and the depositions contain much discussion of Mr Livingstone's major impact on the JFK case. This new book is to be followed closely by a sixth book entirely about the Zapruder film called *The Hoax of the Century: Decoding the Forgery of the Zapruder Film* **Private Eye**, 1983 **The Literary Digest** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1904 **Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1904 *Jaguar* Christopher Hedlund, 2015-02-13

Two top of the line modern warriors, both orphaned in childhood, hunt one another throughout the cities and jungles of Latin America. As their hunt progresses, both discover they have been lured into this contest by Jaguar, a great spiritual power of the Amazon. Their hunt for one another turns into an otherworldly spiritual ordeal orchestrated by magical powers of the Amazon, an ordeal in which the former methods and rules by which they have fought and survived as modern day warriors are useless. Both men are motivated by deep, unshakable love. John Ashbrook, ex Navy SEAL, turned deep cover spy, is hunting for his missing mentor and best bud, Ronnie Bates. Bates is the only close tie Ashbrook has left in since his family died when he was a young boy. As Ashbrook tries to pick up Bates' trail, Bates begins appearing in Ashbrook's dreams, dropping clues that actually work in the real world. Bates' clues lead Ashbrook to Rafael Sanchez Cast, adrift on the harsh streets of Caracas, Venezuela, by the death of his parents at age 11. Rafael became a thief to provide for his 6 year old sister, Maria. With his exceptional skills, athletic prowess, and fierce courage, Rafael rapidly shot up the ranks of the cartels, eventually becoming Pablo Escobar's top gun and right hand man. But Rafael now wants to break free from the darkness of his past life to find a new, decent life with Isabel Londono, a woman he loves passionately. Isabel believes Rafael is a successful businessman and

knows nothing of Rafael's dark side but begins to suspect that he may have one. Their relationship is threatened and pushed into crisis as she presses Rafael to confide in her but Rafael resists as he knows there are powerful men that would kill her or worse to find him. Jaguar's power is irresistible as he draws the men into the battle of their lives facing their ultimate match as warriors in each other. From its beginning to the end, this hunt is a high tension guessing game for both men as nobody, not even the highly accomplished native seers the men consult, can fathom what Jaguar's ultimate design is. In a bizarre turn of events, Isabel unwittingly does the one thing that radically alters the fate of both men, proving that even in the great warrior Jaguar's world, love and its power of redemption are formidable forces to be reckoned with. But even with that, the men's fierce battle will take them on an unforgettable journey into the realm of death. It is only here that Jaguar's final test will take place and his ultimate design will be revealed.

In this gritty crime series debut, a London morgue assistant with an eye for detail and an ear for the dead investigates her mentor's murder. Cassie Raven is a blast of fresh air striding on to the crime scene like a punk superstar. Sarah Hilary, author of *Someone Else's Skin*. There's more to Cassie Raven than just her goth appearance, piercings, tattoos, a wild dyed black hairstyle. She worked hard to escape life on the streets and become a senior mortuary technician. Now she spends her days helping the deceased, inspecting bodies to determine the cause of death. Occasionally they even speak, sharing fleeting hints about their final moments. Cassie's gift for listening to the dead can be a blessing but sometimes it's a curse. Years ago, Geraldine Edwards mentored Cassie and saved her life. So Cassie is shocked to now find the woman on the slab, her death presumed an accident. Cassie can't believe it but is that simply her grief talking? Or is something more sinister at play? To get answers, Cassie begins digging through her former teacher's past. Her investigation soon leads to her butting heads with the police, and if she's not careful, it could lead to something far deadlier. Spellbinding storytelling. Val McDermid, international bestselling author. A first-rate crime novel. I loved it. Elly Griffiths, author of the Ruth Galloway series. What a wonderful creation is Cassie Raven. James Oswald, author of *Natural Causes*. Perfect for fans of Tess Gerritsen, Patricia Cornwell, and Kathy Reichs.
