Dream Deep T. D. Otis, 2017-01-10 A product of pencil and paper night writing Dream Deep is a collection of poems based on recollected dreams In some cases the images dreamt are expanded and the dream serves as a seed from which the poem develops But in other cases the entirety of the poem is wrought directly so there s no need to expand or contract the imagery Multiple themes emerge throughout this collection themes such as fantasy romance horror as well as threads of personal and philosophical ideology cropping up now and again A number of the works presented here were printed in an art literature magazine which was developed at the college that the author attended These works include A Nightlight Pondering The Thing in the Attic and Fearless a Triolet [Playful Classics](#) Juliette Harrisson, Martin Lindner, Luis Unceta Gómez, 2024-10-17 This is the first book to deal exclusively with ludic interactions with classical antiquity an understudied research area within classical reception studies that can shed light on current processes of construction and appropriation of the Greco Roman world Classical antiquity has for many years been sold as a product and consumed in a wide variety of forms of entertainment As a result games playing and playful experiences are a privileged space for the reception of antiquity Through the medium of games players performers and audiences are put into direct contact with the classical past and encouraged to experience it in a participative creative and subjective fashion The chapters in this volume written by scholars and practitioners cover a variety of topics and cultural artefacts including toys board games and video games as well as immersive experiences such as museums theme parks and toga parties The contributors tackle contemporary ludic practices and several papers establish a dialogue between artists and scholars contrasting and harmonising their different approaches to the role of playfulness Other chapters explore the educational potential of these manifestations or their mediating role in shaping our conceptions of ancient Greece and Rome Altogether this edited collection is the first to offer a comprehensive overview of the ways we can play with antiquity **EERIE - Tales of Horror & Suspense # 2** ARCHER McGyver , EERIE Cover CHAMBER OF DEATH by Wally Wood A horror anthology that will scare you to Death Personally I never met anybody who didn t like a good ghost story Haven t you sometimes wondered what if I hadn t been there at that particular moment And what if I had been What would have happen if I had been there with someone else or no one was there to help me Would the same thing happen under different circumstances The contents of this Illustrated short stories are paranormal tales of horror Ghost Mysteries and other explainable phenomena BE THE FIRST IN YOUR NEIGHBORHOOD TO HAVE THIS COLLECTOR S EDITION You can t afford not to have this in your E book library [Medicare/Medicaid Nursing Home Information](#) , 1988 [Directory](#) , 1975 Compilation of the names and addresses of all medical facilities which are participating as providers suppliers of services of the Health Insurance for the Aged Program Covers hospitals nursing facilities home health agencies physical therapists laboratories x ray units and renal disease treatment centers Geographical arrangement Entries include facility and address No index [Directory of Medical Facilities](#) United States.
