Mystic Of Sex First Look At D H Lawrence:

Anais Nin Suzanne Nalbantian,1997-07-13 This book of essays is the first to probe Anais Nin's achievements as a literary artist With an introduction by the editor Suzanne Nalbantian the collection examines the literary strategies of Nin in their psychoanalytical and stylistic dimensions Various contributors scrutinize Nin's artistry identifying her unique modernist techniques and her poetic vision Others observe the transfer of her psychoanalytical positions to narrative The volume also contains fresh views of Nin by her brother Joaquin Nin Culmell as well as innovative analyses of the reception of her works

Cinematic Fictions David Seed,2012-01-01 The phrase cinematic fiction has now been generally accepted into critical discourse but is usually applied to post war novels This book asks a simple question given their fascination with the new medium of film did American novelists attempt to apply cinematic methods in their own writings From its very beginnings the cinema has played a special role in defining American culture Covering the period from the 1910s up to the Second World War *Cinematic Fictions* offers new insights into classics like *The Great Gatsby* and *The Grapes of Wrath* discussing major writers critical writings on film and active participation in film making *Cinematic Fictions* is also careful not to portray cinema as a single or stable entity Some novelists drew on silent film others looked to the Russian theorists for inspiration and yet others turned to continental film makers rather than to Hollywood Film itself was constantly evolving during the first decades of the twentieth century and the writers discussed here engaged in a kind of dialogue with the new medium selectively pursuing strategies of montage limited point of view and scenic composition towards their different ends Contrasting a diverse range of cinematic and literary movements this will be compulsory reading for scholars of American literature and film

Anais Nin Maryanne Raphael,2003-07 For readers unfamiliar with her subject Maryanne Raphael's biography *Anais Nin The Voyage Within* is a sensitive uncomplicated introduction to the life and work of one of the 20th century's most quintessentially feminine artists For Nin devotees the biography is a refresher course taking us back through the vast material of the Diaries and novels that enchanted and inspired our love Raphael accepts Nin entirely on her own terms Thanks to a warm personal relationship with Rupert Pole Nin's surviving husband and executor of her estate Raphael opens up some of the mystery that has hitherto surrounded Nin's relationship with her husbands an aspect of Nin's life that was never explicitly described in the original Diaries The result is a multi dimensional portrait in which Nin's two selves artist and woman are fully integrated Nin the woman consciously chooses to realize female desire give form to female imagination always loving as she remains completely focused on birthing a new unabashedly feminine literature Thank you Maryanne Dolores Brandon Author of *IN THE SHADOW OF MADNESS A Memoir* **Companion to Literature** Abby H. P. Werlock,2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student Researchers RUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates **The Hidden D. H. Lawrence** Myron Tuman,2024-10-31 *The Hidden D H Lawrence* is a new study of the psychological and literary aspects of a great writer's

lyrical genius It explores how Lawrence when writing on his favorite subject the relations between men and women moved so quickly between heavy handed exposition and deeply inspired prose depending on the gender of the object of his attention Nowhere is this clearer than in the three grand love scenes from Lady Chatterley's Lover those cut from the first American edition of 1932 In these scenes Mellors Lawrence's usual alter ego suddenly and almost magically becomes the object of attention although now seen through the eyes of his female protagonist It may seem as if Lawrence's purpose here is to probe a woman's psyche until one realizes that it is only such moments when his focus seems less on his female character than the erotic allure of a powerful man that unlock Lawrence's lyrical genius The claim here is that in his major novels and stories Lawrence was less interested in exploring the emotional lives of women than in using his female characters as well as many sensitive male protagonists to explore his own psychic life one marked by the persistent attraction to the image of a strong male an inner life that for the last century has been hiding in plain sight

D. H. Lawrence's Language of Sacred Experience C. Burack, 2005-11-20 This book demonstrates how D H Lawrence's prophetic ambitions impelled him to create novels that would radically transform the consciousness of his readers Charles Burack argues that Lawrence's major novels beginning with The Rainbow are structured as religious initiation rites that attempt to break down the reader's normative mindset and to evoke new numinous experiences of self and world Through careful analysis of narrative structure literary technique and sacred discourses Burack shows that Lawrence tries to initiate the reader into his own version of religious vitalism Unlike most initiations that conclude with powerful affirmations Lawrence's novels generally end with an attempt to subvert the formation of new religious dogmas and to encourage sacred erotic exploration

The Woman's View June Wedgwood Benn, 2020-01-08

What is it like being a woman in society in the home and as a person in one's own right Originally published in 1967 here is a collection of passages all linked by their theme that of being a woman They are taken from novels essays letters and diaries written by or about women concerning their psychology and position in society from the later eighteenth century onwards In these days of emancipation and assumed equality in some countries at any rate it is as well to remember the very recent past and to look forward to the future for all girls will have certain problems to face just because they are girls It is best to be prepared The anthology was chosen and organised for girls who were taking English either for General Studies or in preparation for University The extracts cover a wide range of styles and periods and were selected both as representative of their time and as good examples of prose Love sex marriage motherhood and the wider role of women in society are among the topics covered and there is an ample list of suggestions for further readings biographical notes on the writers and suggested questions for discussions or essay writing
