The Mystical Marriage Gerhard Wehr,1990 *The Way of the Beloved* Robert Arsdale,Diana Van Arsdale,2016-11-18

The foundation of the Way of the Beloved is discovered in the heart of love itself where there lives and moves a will to exaltation of the other To truly love another is to will the spiritual ideal upon that beloved one When there is a mutual intention to exalt infusing the daily life of a man and woman they enter into the Way of the Beloved This handbook is an attempt to put into book form what authors Robert and Diana Van Arsdale have been teaching to small groups of couples since 1976 Their workshops offer an ageless set of protocols for the transformation of the love relationship between a woman and a man into a path of spiritual development Here they present an integrated body of progressive experiential exercises and meditations that were taught originally taught by Herman Rednick Simply stated The Way of the Beloved teaches a couple how to actualize the potential of their relationship through the intensification of love and compassion Designed for couples in search of spiritual and emotional exploration this guide offers methods intended to help them realize a vision of love fulfilled

Soul Recreation Tom Schwanda,2012-04-11 Spiritually there is a great hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604-64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian's intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of ravishment and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition

The Magic Flute Tjeu van den Berk,2022-06-13 This volume demonstrates for the first time that Mozart's opera *Die Zauberflöte* is an enactment of the alchemical opus magnum in the form of a chemical wedding Towards the end of the 18th century alchemy was still a prominent mystical current within the Order of Freemasons of which Mozart and his librettists were members The central part focuses on the opera's alchemical structure whereas the historical and mythological backgrounds are also dealt with extensively The book comes with 3 CD's offering a rendition of the integral opera in contrast to the common practice of leaving out major parts of the libretto The Magic Flute is a fascinating journey of discovery an initiation into Initiation With complete original libretto and over 100 pictures

Alchemy Clare Martin,2021-02-05 An alchemical approach seeks to release the latent potential which resides within the individual and within the cosmos There was never any question that the work of the alchemists
