Mystical Desk The:

The Mystical Desk Ginger M. Vickers, 2005-10-03 *The Mystic* John E. Knight, 2010 Ted Gregory is a stock broker barely hanging in with the flow of life A morning ride to work turns into a trip that takes Ted back in time to visit an old diner which he had not been in for decades The diner still exists almost as in a time warp A series of impulsive decisions sends Ted off on a new journey both physically and metaphorically The Mystic is a stranger sitting alone in a coffee shop waiting for Ted or anyone to engage him in conversation The mystic who teaches others has to be a master of using metaphor and parable to explain concepts Mystery surrounds mysticism but in reality it can help provide a practical guide for positive transformation in any person's life Mysticism has room for sceptics and scientists In fact the scientists with great new ideas and theories have to walk the mystic's path into the realms of the metaphysical *THE MYSTIC LAW FIRM* SHYAMBALA, 2024-09-21 This book has ruined me for all other books I'll be thinking about this book for a long time to come _clout_ reviews A fast paced edge of your seat debut mystery novel that incorporates Indian Mythology in Contemporary Settings Njkinny Book Reviewer Promoter The Mystic Lawfirm by Shyambala is nothing less than a legal thriller Possibly it may take you to the charm of John Grisham thriller novels Kevin Mallik I was pleasantly pleased by this book's imaginative yet plausible world building You won't be able to tell that this is a first attempt given the degree of believability this universe offers This is a captivating distinctive and interesting tale that will keep you intrigued and leave you wanting more Trishita Das Book Reviewer The book is a page turner Don't read it on weekdays because you'll leave your office work to read and find out what happens next Review on Goodreads by A S What would happen if you are hired by a God Your superior is no one but a fallen heavenly being You befriend a ghost who is suffering from a memory loss What if you are told that the person next to you sitting on a train is an immortal Will you believe it Radha is hired by Mr Venkat who owns a law firm which helps souls to enter heaven Her immediate superior Mr Sudama is connected to Radha's past life Radha is given the task of handling the case of Mr Anu who has no idea where his physical body is Then there is this case of a Soul Eater to whom the law firm is connected in some way The Mystic Lawfirm is a debut novel by Shyambala incorporating Hindu Mythological stories and characters with a modern twist It is a fantasy which will take you to another world where Gods dwell among humans [The Dream Assassin Volume \(1\)](#) Roman Harambura, 2019-02-20 Humanity's Greatest Gift Imagination Roman expresses that we as humans have the ability to think by thought power as humans on this most precious Earth we each have the power within us to create through manifestation anything we choose simply by the power of our own thoughts Roman believes we are all thinking beings that every thought we each have has the possibilities of becoming our own reality be it negative thoughts or positive thoughts which in turn creates our personal existence either in a negative way or a positive way he says we are not in reality physical it only appears to be that way because we are so highly conditioned by our own beliefs systems we are in fact Living Energy in the making of becoming Living Consciousness The main reason he wrote and created his new book The

Dream Assassin was to show all of humanity that Imagination is real and at the same time create magnificent imaginative magic that would not only bring awareness but ignite the true inner passion of every individual that reads this book but also to see the movie when it is created in the future to come As Albert Einstein the great Theoretical Physicist said on many occasions Reality is merely an Illusion all be it a very persistent one It s like saying just because you cannot touch something doesn t mean it is not real because it may be vibrating simply at another level of consciousness **The Chronicles of the Mystic Alchemist 1** Wesley Wang,2024-07-05 **Guido Gezelle, the Mystic Poet of Flanders** Gustave Leopold Van Roosbroeck,1919 The 49th Mystic (Beyond the Circle Book #1) Ted Dekker,2018-05-15 Some say the great mystery of how one can live in two worlds at once died with Thomas Hunter many years ago Still others that the gateway to that greater reality was and is only the stuff of dreams They are wrong In the small town of Eden Utah a blind girl named Rachelle Matthews is about to find out just how wrong When a procedure meant to restore Rachelle s sight goes awry she begins to dream of another world so real that she wonders if Earth might only be a dream experienced when she falls asleep in that reality Who is a simple blind girl to have such strange and fantastic dreams She s the prophesied one who must find and recover five ancient seals in both worlds before powerful enemies destroy her If Rachelle succeeds in her quest peace will reign If she fails both worlds will forever be locked in darkness So begins a two volume saga of high stakes and a mind bending quest to find an ancient path that will save humanity The clock is ticking the end rushes forward Ready Set Dream
