Mystical Paths Open Market Edition:

Books in Print ,1991 Books in Print Supplement ,2002 **Open to the Spirit** Carole Martignacco, Mead Ross Baldwin, Lynn Dillabough, Lee Ann Hogle, 2018-10-29 Open to the Spirit one word four voices came out of our direct experience as friends doing interfaith work in the community Meeting and working together at shared social or social justice events we already enjoyed promoting one another s projects and good work When a weekly religion column ended in our local paper we seized the opportunity and agreed to form a writing team to fill the space with a message that was inclusive and welcoming **Hermetic Behmenists** Dionysius Andreas Freher, Francis Lee, 2017-10-01 Hermetic Behmenists reproduces the writings of Dionysius Andreas Freher and Francis Lee two exceptional commentators on Jacob Boehme s philosophy The texts contained in this book were originally published in 1854 in an edition of 500 given away to friends and sent to university libraries by their editor Christopher Walton They were never sold in stores Walton was an English Behmenist and devotee of William Law and the texts were assembled as part of a research project that was never completed Notes and Materials Towards an Adequate Biography of William Law Unfortunately Walton presented the texts haphazardly without table of contents in microscopic type with footnotes going up to one hundred pages in length that in turn contained other texts This edition of the writings aims to put the writings of Freher and Lee in a more accessible and readable format Besides Walton s book only fragments of Freher s writings have been published A great quantity of writings have been preserved in manuscript form Freher was referred to as Second to Boehme in his capacity as a commentator on Boehme s philosophy making the inaccessibility of his works an unfortunate loss **Medicinemaker** Hank Wesselman, 2009-12-23 In the brilliant visionary tradition of Carlos Castaneda anthropologist Hank Wesselman first documented his spiritual journey in the acclaimed account Spiritwalker Now he continues his travels through the spirit world in this astonishing book leading us into the heart of one of the greatest mysteries of existence Dr Wesselman s inspiring quest began with a dramatic encounter on the island of Hawaii Though he had feared his connection to Nainoa a kahuna initiate and fellow mystic traveler would be severed when he moved to San Diego Wesselman would continue to merge minds with Nainoa Over the next five years the true purpose of their profound yet cryptic contact took shape Wesselman had gained access to some inner doorway putting him in the presence of a transcendent life force and intelligence On the threshold of a dazzling new understanding of nature he was a shaman in training an initiate into the sacred secret healing powers of the spirit world This remarkable book gives us an unprecedented glimpse into the origin and the destiny of our species Hank Wesselman has brought back from his extraordinary travels an extraordinary message the keys to personal power and to the healing of all humankind Finding Fran Lois W. Banner, 2000-07-03 Exploring the intersections of biography and autobiography East and West faith and reason Finding Fran tells the story of two high school friends who took radically different paths Lois Banner became an academic feminist while Fran Huneke converted to Islam joining the mystical Sufi Order and moving to Egypt *Sing a New Song*

Julie H. Ferguson,2006-04-01 For the first time *Sing a New Song* tells the stories of four Canadian bishops who pushed the envelope and changed the world All have faced severe opposition one was involved in the only Anglican schism in Canadian history two jeopardized their careers and one was voted the sixth most important person of the twentieth century whose world view has transformed the wider society Over the last 150 years George Hills David Somerville Douglas Hambidge and Michael Ingham adopted unpopular causes with their eyes wide open They were the men who fought for and won rights for aboriginals women and gays and lesbians In finely drawn and thoroughly researched biographies Julie H Ferguson weaves the bishops impact on society into Canada s history while delivering compelling insights into their personal and spiritual lives Meet this quartet of sharply contrasting and fearless bishops in *Sing a New Song* **Public Health, Humanities and Magical Realism**

Marisa de Andrade,2022-07-29 This book calls for a re conceptualisation of the public health evidence base to include crucial forms of creative and relational data about people s lived experiences that cannot be accessed through the biomedical approach to generating and using evidence Drawing from the author s ethical ontological and epistemological dilemmas when studying controversial topics and methodological evaluation framework to measure impacts of creative community engagement the book argues that traditional methodologies and conceptualisations of evidence have the potential to exacerbate health inequalities by excluding and misrepresenting minorities Fantastical realities based on truthful research findings are intertwined with traditional public health approaches through artistic engagement with so called hard to reach groups Working with their sur real life stories the author reflects on how the population s breadth is inadequately reflected which threatens validity and generalisability in public health research and decision making Through different ways of knowing epistemology and different ways of being ontology this book shows how to design studies make recommendations and adapt services that are aligned with views and experiences of those living on the margins and beyond As such it is an essential read for public health researchers and students **Encountering the World of Islam**

Sufi Teaching Stories Anab Whitehouse,2018-11-06 Although told in a largely refashioned manner a number of the following stories are very loosely based upon either time honored stories of the mystics or are built around various essential spiritual insights drawn from their teachings Other stories appearing in this volume are wholly original but are still rooted in a traditional spiritual perspective In either case the names have been changed to protect the innocent and as well considerable poetic license has been taken in the telling and or re telling of some of these spiritual tales The author is neither a shaykh nor a guide but he did have the opportunity to serve and work closely with an adept of Islamic mysticism and as a result was exposed to a variety of principles values and teachings of the Sufi path The stories are being given expression in the present volume because they might have something of value to offer to anyone who cares to engage them and reflect on what is being said

Mindful Inquiry in Social Research Valerie Malhotra Bentz, Jeremy J. Shapiro, 1998-06-24 This innovative introduction to research in the social sciences guides students and new researchers through the maze of research traditions cultures of inquiry and epistemological frameworks It introduces the underlying logic of ten cultures of inquiry ethnography quantitative behavioral science phenomenology action research hermeneutics evaluation research feminist research critical social science historical comparative research and theoretical research It clarifies conceptual and intellectual traditions in research and puts researchers firmly in the investigative saddle able to choose justify and explain the intellectual framework and personal rationale of their research

Golden States Eileen Luhr, 2024-09-03 Whether they were utopian communitarians sun seeking gurus or Protestant health reformers Southern California's spiritual seekers drew on the United States deepening global encounters and consumer cultures to pair religious and personal reinvention with cultural and spiritual revitalization Through a rereading of the region's cultural landscape Golden States provides an alternative history of California religion and spirituality showing that seekers developed a number of paths to fulfillment that enhanced the region's lifestyle brand Drawing on case studies as varied as surfing and yoga practices Dr Bronner's Magic Soaps and the only designated Blue Zone in the United States this work explores the long term impact of alternative beliefs on the region In doing so it highlights the ongoing tensions between privileging personal choice and pursuing social good as communities navigated whether the commitment to the emotional and therapeutic needs and desires of individual believers should be pursued at the expense of broader efforts to achieve collective well being

Reclaiming the Sane Society Miri Seyed Javad, Robert Lake, Tricia M. Kress, 2014-07-03 Erich Fromm's body of work written more than 50 years ago was prophetic of the contemporary moment Increasingly global society is threatened by the many headed monster of corporate greed neo liberalism nihilism extreme fundamentalist beliefs and their resulting effects on the natural world and the lived lives of people Fromm clearly warned us of the peril of the misuse of technology and the destructive nature of man's perverse desire to possess control and or destroy Through his theories of having vs being the importance of hope as active resistance and his notion of freedom as the capacity to love self and others Fromm encouraged his readers to cultivate biophilic ways of being in the world that will counter and heal the impending necrophilic plunder of man's hubris This multi authored volume sheds new light on Fromm's forgotten role in the formation of contemporary thought through an engaging variety of reflexive and historical narratives from fields of sociology clinical psychology political science critical theory of religion and education

Key concepts from his body of work are interpreted and expressed in ways that offer hopeful and humane alternatives to the present global conditions of despair greed and depersonalization
