The Mystical Philosophy of Ibn Masarra and His Followers Asín Palacios, 2023-09-25 *Moses, Mount Sinai and Early Christian Mystics* Ann Conway-Jones, Wise Studies, 2021-10-12

Moses encounter with God on the summit of Mount Sinai as told in the biblical book of Exodus contains a number of peculiarities and paradoxes Early Christian mystics seized on these as clues to the spiritual understanding of Moses experiences and as guides to the practice of contemplation In this course we will examine five moments in Moses ascent of Mount Sinai his entry into the darkness the elders vision of the sapphire pavement the pattern of the tabernacle revealed God s placing of Moses into the cleft of the rock and Moses shining face We will explore how these intriguing passages inspired four early Christian writers Gregory of Nyssa Evagrius of Pontus Pseudo Macarius and Dionysius the Areopagite as they reflected on such topics as the unknowability of God and the state of a mind at prayer In doing so we will discover the influence of scripture on the development of the Christian mystical tradition

Session 1 The Darkness of Unknowing Exodus 20 18 21 Moses breaks free away from what sees and is seen and he plunges into the truly mysterious darkness of unknowing Here renouncing all that the mind may conceive wrapped entirely in the intangible and the invisible he belongs completely to him who is beyond everything Dionysius

Session 2 Divine Blue Exodus 24 9 11 When the mind has put off the old self and shall put on the one born of grace then it will see its own state in the time of prayer resembling sapphire or the colour of heaven this state scripture calls the place of God that was seen by the elders on Mount Sinai Evagrius of Pontus

Session 3 The Heavenly Tabernacle Exodus 25 28 Moses was educated beforehand by a type in the mystery of the tabernacle which encloses everything This would be Christ the power of God and the wisdom of God which in its own nature is not made by hands yet allows itself to be physically fashioned when this tabernacle needs to be pitched among us so that in a certain way the same is both unfashioned and fashioned uncreated in pre existence but becoming created in accordance with this material composition Gregory of Nyssa

Session 4 The Cleft in the Rock Exodus 33 11 23 This truly is the vision of God never to be satisfied in the desire to see him But one must always by looking at what he can see rekindle his desire to see more Thus no limit would interrupt growth in the ascent to God since no limit to the Good can be found nor is the increasing of desire for the Good brought to an end because it is satisfied Gregory of Nyssa

Session 5 Transformation Exodus 34 29 35 For blessed Moses provided us with a certain type through the glory of the Spirit which covered his countenance upon which no one could look with steadfast gaze This type anticipates how in the resurrection of the just the bodies of the saints will be glorified with a glory which even now the souls of the saintly and
