### **Mysticism:**

**Christian and Buddhist** Daisetz Teitaro Suzuki,1962     *Mysticism, Christian and Buddhist: The Spiritual Beliefs of Buddhism and Christianity, with Comparisons of the Afterlife, God and Enlightenment* Deisetz Teitaro Suzuki,2019-09-26 This selection of compelling essays by D T Suzuki compare the beliefs of Christianity to those of Buddhism revealing what the two religions share in common The author was struck by the spiritual thinking of Meister Eckhart a theologian who lived in 13th century Germany Seeing how Eckhart contemplated his religion and the similarities his writings carried to those of Mahayana Buddhism encouraged Suzuki to investigate further What followed over a number of years were the essays that comprise this book a compelling sequence of comparisons between thinkers of the Christian and Buddhist traditions Suzuki focuses upon the comparison between the path of the Christian to spiritual affinity with God and the Buddhist path to enlightenment via meditation and mindfulness In Eckhart s writings he finds much in common for example the Buddhist principle of emptiness whereby the soul is detached from the corporeal realm and in closer affinity to the divine is comparison to what Eckhart termed abegescheidenheit a detachment from worldly affairs In discussing parallels between the two religions Suzuki is salient and lucid The later chapters examine verses relevant to the themes already expounded upon namely the treatment of the human soul and the changes it must undertake on a spiritual path

### Modern Buddhist and Christian Mysticism

Charles M. Mueller,Peter Richardson,2025-03-01 Investigations of mysticism often focus on the past while largely ignoring current developments This book contributes to a reversal of that trend with a rigorous examination of a wide selection of contemporary Buddhist and Christian authors The focus is on the intriguing intersections and subtle divergences now emerging in areas such as ineffability nonconceptuality paradox inverted agency unity and self dissolution The analysis combines the theoretical framework of Cognitive Linguistics with a range of methodological approaches from discourse and thematic analysis to corpus linguistics Wide ranging systematic and informative the book is invaluable to all of those interested in the phenomenon of mysticism within the modern world

**Mysticism** Daisetz Teitaro Suzuki,2016-10-05

Excerpt from **Mysticism Christian and Buddhist** This Series is committed to a re examination of all those sides of human endeavor which the specialist was taught to believe he could safely leave aside It interprets present and past events impinging on human life in our growing World Age and envisages what man may yet attain when summoned by an unbending inner necessity to the quest of what is most exalted in him Its purpose is to offer new vistas in terms of world and human development while refusing to betray the intimate correlation between universality and individuality dynamics and form freedom and destiny Each author treats his subject from the broad perspective Of the world community not from the judaeo christian Western or Eastern Viewpoint alone About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works    **Mysticism** Daisetz Teitaro Suzuki,2003

**MYSTICISM DAISETZ TEITARO. SUZUKI,2018**    **Mysticism, Buddhist and Christian** Paul Mommaers,Jan van Bragt,1995 This volume represents the first book length treatment in English of one of the greatest mystical writers in Christian history Jan van Ruusbroec 1293 1381 A careful reading of the texts by the Flemish historian Paul Mommaers focuses on two delicate relationships that between mysticism and religiosity and that between a mysticism of union in love and the more metaphysical mysticism of unity Winding in and out of this presentation is a commentary by theologian of religions Jan Van Bragt which attempts to place the problematic in a wider interreligious context by contrasting the spiritual path of Buddhism with that of the Christian mystical way The combined result is not only an original reading of the great Flemish love mystic but a groundbreaking attempt to view religious history through the dual lenses of one's own faith and that of the faith of others Ruusbroec's approach is seen to challenge traditional ideas about differences between the Buddhist and Christian ways and to open new possibilities for further encounters at the level of mystical thought and practice

**Mysticism Christian and Buddhist** Daisetz Teitarô Suzuki,1979    **The Still Point: Reflections on Zen and Christian Mysticism** William Johnston,1970    **Free Yourself of Everything** Wolfgang Kopp,Barbara Wittenberg-Haenauer,2011-12-06 This guide to meditation and spirituality draws on both Buddhist and Christian sources to present a unique path to enlightenment Intended for those who earnestly seek spiritual guidance this book conveys with clear structure and precise language the deepest wisdom of eastern and western mysticism Drawing from his vast experience as a practicing meditation master and using examples from great masters of Zen and Christian mysticism Wolfgang Kopp presents the fundamental elements necessary for a successful journey to inner freedom The reader is instructed directly as though he or she is under the present guidance of the author As closely as the written word permits the reader experiences

the compassionate love and spiritual power that otherwise could be felt only in the immediate presence of a great enlightened master Free Yourself of Everything will lead readers to that extraordinary experience where the belief in a conceptual God is replaced by enlightenment in one's own mind     [Modern Buddhist and Christian Mysticism](#) Charles M. Mueller,Peter Richardson,2025-03-01 Investigations of mysticism often focus on the past while largely ignoring current developments This book contributes to a reversal of that trend with a rigorous examination of a wide selection of contemporary Buddhist and Christian authors The focus is on the intriguing intersections and subtle divergences now emerging in areas such as ineffability nonconceptuality paradox inverted agency unity and self dissolution The analysis combines the theoretical framework of Cognitive Linguistics with a range of methodological approaches from discourse and thematic analysis to corpus linguistics Wide ranging systematic and informative the book is invaluable to all of those interested in the phenomenon of mysticism within the modern world     [Mysticism: Christian and Buddhist](#) David Suzuki,1957     *The Meaning of Christ* John P. Keenan,1989     *Christian Zen* William Johnston,1997 When Christian Zen was first published in the early 1970s it was reviewed enthusiastically in many parts of the world A subsequent edition added new material from the author's experience This latest edition from Fordham University Press includes a new Preface by the author and a letter to the author from the Christian mystic Thomas Merton written shortly before Merton's untimely death William Johnston presents a study of Zen meditation in the light of Christian mysticism     [Mysticism](#) Jess Hollenback,1996-09-15 This sweeping study of mysticism by Jess Hollenback considers the writings and experiences of a broad range of traditional religious mystics including Teresa of Avila Black Elk and Gopi Krishna It also makes use of a new category of sources that more traditional scholars have almost entirely ignored namely the autobiographies and writings of contemporary clairvoyants mediums and out of body travelers This study contributes to the current debate about the contextuality of mysticism by presenting evidence that not only are the mystic's interpretations of and responses to experiences culturally and historically conditioned but historical context and cultural environment decisively shape both the perceptual and affective content of the mystic's experience as well Hollenback also explores the linkage between the mystic's practice of recollection and the onset of other unusual or supernormal manifestations such as photisms the ability to see auras telepathic sensitivity clairvoyance and out of body experiences He demonstrates that these extraordinary phenomena can actually deepen our understanding of mysticism in unexpected ways A unique feature of this book is its in depth analysis of empowerment an important phenomenon ignored by most scholars of mysticism Empowerment is a peculiar enhancement of the imagination thoughts and desires that frequently accompanies mystical states of consciousness Hollenback shows its cross cultural persistence its role in constructing the perceptual and existential environments within which the mystic dwells and its linkage to the fundamental contextuality of mystical experience     [Mysticism](#) Daisetz Teitarō Suzuki,1988
