Mysticism Death And Dying:

Mysticism, Death and Dying Christopher Nugent, 1994-09-30 This book charts the borderline between the nocturnal side of mysticism and the luminous side of death and it illuminates their paradoxical affinities Within a culture of both denial and despair it affirms the reality but not the finality of death If what the generations have called the mystery of death is the last enemy a still more mysterious mysticism would anticipate illuminate and disarm it issuing in what eyes have not seen ears have not heard This work is contemporary in that it represents a creative and original appropriation of tradition is spiritually more mystical than devotional and is ecumenically conversant with and sensitive to the great religious traditions **Death,**

Dying, and Mysticism T. Cattoi, C. Moreman, G. C. Harcourt, 2015-04-01 This volume offers a sample of reflections from scholars and practitioners on the theme of death and dying from scholars and practitioners ranging from the Christian tradition to Hinduism Lacanian psychoanalysis while also touching on the themes of the afterlife and near death experiences

Awakened by Death Christiana N. Peterson, 2020-10-27 Fear of death is nearly as inevitable as death itself so we have used modern medicine and the funeral industry to create an ever increasing distance between us and our mortality But these interventions have stripped death of its mystery and mysticism Taking readers on a journey through history guided by the mystics *Awakened by Death* shows us how our psychological and spiritual relationship to death has changed over time and helps us to reclaim a healthy engagement with our own mortality Ultimately readers will gain a deeper understanding of how facing the fear of death and embracing rather than eschewing its mysteries can help us live richer fuller lives Death,

Dying and the Afterlife Marilynn Hughes, 2008-01-03 DEATH DYING AND THE AFTERLIFE OUT OF BODY TRAVEL The Mystic Knowledge Series is a group of compilations of the Mystic and Out of Body Travel Works of Marilynn Hughes on various subjects of scholarship so you may have at your fingertips all the Out of Body Travel Instructions on a particular area of study We hope this series helps those who are interested in a special area of study to read all the recorded mystical and out of body travel experiences that the author had on each subject For more info www.outofbodytravel.org **Galactica**

Marilynn Hughes, 2003-08-01 GALACTICA A TREATISE ON DEATH DYING AND THE AFTERLIFE OUT OF BODY TRAVEL Continuing the journey begun in *The Mysteries of the Redemption A Treatise on Out of Body Travel and Mysticism* the author takes you on an out of body journey into the worlds of the galactic heavens the worlds beyond death Traveling the road of terminal illness you ll follow the footsteps of a soul preparing for death learn from those who have already crossed over and witness the after death experience of a soul as she leaves this world For more info www.outofbodytravel.org *Mysticism, Ineffability and Silence in Philosophy of Religion* Laura E. Weed, 2023-01-13 The authors in this volume explore a wide variety of the contemporary approaches to mystical and religious experience to elucidate what religious experience is in its own terms and how its practitioners understand it This anthology features contributions that point out that contemporary studies of consciousness sociology hermeneutics neuroscience medicine and other fields are revealing that there is much more to be

said for the inner life of a human's consciousness than reductionists and behaviorists will allow. This book is one of very few that primarily takes the stance of academic practitioners explaining their own experience rather than that of academics trying to explain the phenomena away as really politics or sociology or delusion or psychological pathology or literary flights of fancy or an aberration of any of the other academic fields. Most of the authors in this volume embrace the task of explaining and analyzing religious experience, mysticism, and the healing power of silence and presence using the resources of all of the academic disciplines as appropriate. The essays contained analyze religious and non-religious mystical and profoundly personal experiences across several world religions and in areas such as art and music as well as in solving personal crises such as family disruption and patriarchal oppression. The authors address the subject matter through analyses of the frequent and destructive failures of language or just noise to capture or express the nuances of the inner life of a person. It is this very ineffability of self that renders the spiritual, emotional, and interior life of individuals beyond cognition and perception of the straightforward sorts embraced by most cognitive disciplines. The contributors come from a variety of cross-disciplinary fields to bring forth the possibilities for an intuitive and creative, rich and growing inner life for a human. This text appeals to students, researchers, and practitioners.

Women and Spirituality Carol Ochs, 1997. Written by an acclaimed scholar to enrich and complete the vision offered by traditional Western spirituality, *Women and Spirituality* demonstrates that women as women have a valuable contribution to make to religion. This new edition is revised and updated in light of thirteen years of feminism, including new biblical role models and a new chapter on women's special relationship to time. Prodding readers to pay attention to their own experiences, Ochs challenges traditional religious concepts such as solitary struggle, otherworldliness, and the spiritual journey to a distant goal, and shows how women's spirituality focuses on relationships with others, commitment to this world, and engagement with the present.

Mysticism in the Theater Tom Block, 2022-02-03. *Mysticism in the Theater* introduces theater makers to the power and possibility of using historical mystical ideas to influence all aspects of a production. Historical mysticism represents ideas developed by recognized spiritual thinkers in all religions and time periods: individuals who stilled their ego and perceived the unity of all hidden within the apparent multiplicity of existence. This unique manner of spiritual inlay allows theatrical presentations to find the height of artistic expression at the intersection of our historical moment and the eternal. This study introduces theater makers to the history of mystical inspiration within performance work and develops strategies for inserting mystical ideas into their productions. The book ties this model into theatre's history as mystical ideas and quotes have been inserted into productions from Greek theatre through Shakespeare and into the present day. This book explores how teachings and ideas of specific historical mystical thinkers might influence all aspects of contemporary theatrical productions, including writing, directing, acting, stagecraft, set design, lighting design, costume design, sound design, and choreography.

Beyond the Threshold Christopher M. Moreman, 2017-09-13. *Beyond the Threshold* introduces readers to afterlife beliefs and experiences in world

religions The second edition has been revised and updated throughout including a new chapter on afterlife beliefs and practices in selected African traditions new research on the afterlife and near death experiences the addition of key words and definitions to each chapter and more Christopher M Moreman offers an introduction to afterlife beliefs in ancient cultures which are essential to understanding the roots of many modern ideas about death He examines the folklore and doctrines of major world religions including Judaism Christianity Islam Hinduism Buddhism Chinese religions and several African traditions He also discusses psychic phenomena across traditions such as mediums near death and out of body experiences and past life memories While ultimately the afterlife remains unknowable the second edition of this unique in depth exploration of both beliefs and experiences can help readers reach their own understanding of the afterlife and how to live

Mysticism Evelyn Underhill,1919 **MYSTICISM (Complete Edition)** Evelyn Underhill,2023-12-01 Evelyn Underhill s MYSTICISM Complete Edition serves as a profound exploration into the intricacies of mystical experience and its significance within the spiritual journey Blending a rich tapestry of philosophy theology and psychology Underhill employs an elegant literary style that weaves historical context with personal insights The work meticulously examines various mystical traditions providing an accessible yet comprehensive overview of their practices and underlying principles Through her systematic analysis she elevates mysticism from a peripheral component of religious experience to a central pillar of spiritual understanding firmly situating her discussion within both Western and Eastern perspectives Evelyn Underhill was a pioneering figure in the study of mysticism a fact that deeply informs her authoritative voice in this text Born in 1875 she was a novelist poet and passionate scholar of religion who engaged with not only Christian mystics but also Sufism and the philosophies of the East Her personal contemplative practices and scholarly pursuits coalesce in this seminal work reflecting her pursuit of a unifying thread among diverse spiritual traditions MYSTICISM Complete Edition is highly recommended for scholars practitioners and seekers alike as it invites readers to deepen their understanding of mystical phenomena and encourages a reflective engagement with the divine Underhill s insights illuminate the transformative potential of mysticism making it an essential addition to any spiritual library

[Responses of Mysticism to Religious Terrorism](#) Mahmoud Masaeli,Rico Sneller,2020-01-02 This book explores how mystical traditions of either Abrahamic or non Abrahamic religions hold the potential to challenge the discourse of political Islam and its terrorist intentions It discusses the urgent need to reconsider mystical messages of love and recognition of difference against the poisonous evil of terrorism issuing from religious contexts Throughout the publication the editors draw together the main ideas and perspectives surrounding mystical Islam in real life and the practice of mystics alongside illustrating common beliefs and practices of Islamic mysticism This book analyses the message and impacts of mysticism on the battle against the evil of religious terrorism whilst examining successful stories and cases against violence and religious terrorism

The Mystic Heart Wayne Teasdale,2010-10-06 Drawing on experience as an interreligious monk Brother Wayne Teasdale reveals the power of

spirituality and its practical elements He combines a profound Christian faith with an intimate understanding of ancient religious traditions **Mysticism** Lekh Raj Puri,1988 **Mysticism and Alchemy through the Ages** Gary Edson,2012-09-18 An in depth look into the foundations of mysticism and alchemy this book describes both physical and spiritual aspects of the various theories and practices of transformation with attention to the beliefs of Buddhism Christianity Hinduism Islam Judaism Sufism Tantrism Taoism and Yoga The connection between early mystical pursuits and the development of alchemy from ancient China India and Egypt through Moorish Spain and into Latin Europe are illuminated along with the activities of early alchemists The book which is heavily illustrated describes the beliefs experiments and secret messages that drew the believers and dreamers of the world together in search of wealth and immortality **Seeking God** Michael H. Mitias,2012-09-14 Seeking God is a Platonic dialogue on the nature of the religious experience and the conditions under which this experience is possible The dialogue takes place between three characters a philosopher a Sufi and a Christian monk They meet in the Syrian Desert and share their views and experiences on what it takes to have a union with God The main premise that is presented and analyzed in the dialogue is that God reveals himself in nature human civilization and the human heart Love is the beginning and end of the path that leads to the quest for God and the light that illumines this path Living from the standpoint of the Divine is the basis of the good life This book presents a vivid picture of the beauty and sublimity of the Divine the joy of the religious experience and the joy of life Mysticism Evelyn Underhill,2018-11-01 Mysticism is one of most celebrated books on the subject The spirit of the book is romantic engaged and theoretical rather than historical or scientific Underhill has little use for theoretical explanations and the traditional religious experience formal classifications or analysis She dismisses William James pioneering study The Varieties of Religious Experience 1902 and his four marks of the mystic state ineffability noetic quality transience and passivity Excerpt All men at one time or another have fallen in love with the veiled Isis whom they call Truth With most this has been a passing passion they have early seen its hopelessness and turned to more practical things But others remain all their lives the devout lovers of reality though the manner of their love the vision which they make to themselves of the beloved object varies enormously Some see Truth as Dante saw Beatrice an adorable yet intangible figure found in this world yet revealing the next **The Dying of Death** Joseph Jacobs,1900 **Spirituality** Kees Waaijman,2002 This textbook is a systematic guide to the extensive field of spirituality Kees Waaijman charts the multiform phenomenon of spirituality the spirituality of ordinary people the great spiritual traditions and the force of counter movements From the foundation of this survey he answers questions like What exactly is spirituality What forms can a scholarly approach take Finally the book provides methodic access to the study of spirituality focusing on the following questions Which are the different forms of spirituality and how can we describe them How can spiritual texts be given a reliable reading Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them What do we mean by spiritual guidance and what can we learn from it This

textbook has no equal It is indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality **Mystics Yesterday and Today** Brigitta Beer, 2006-11 The Love That Connects Us All is the moving and honest story of author Brigitta Beer's exploration through the dark night of the soul She validates her experience through the writings of mystics past and present including Jesus Rumi John de Cross Meister Eckhart Hildegard of Bingen Teresa of Avila the Sufis Dante Dorothy Walters Rilke and Caroline Myss Beer describes the stages of her journey and her spiritual development relating them to the four paths of Creation Spirituality She also likens the experience to finding the philosopher's stone in her own heart It is a journey of longing and unity that in the end can only be found through the love in her own heart Beer shows us a mystical path that has no boundaries and can be a path for everyone a path into the healing of your self
