## **Myth And Cult Among Primitive Peoples:**

**Myth and Cult Among Primitive Peoples** Adolf Ellegard Jensen,1951 *Myth and Cult Among Primitive Peoples* Adolf E. Jensen,1973 **Review of Myth and Cult Among Primitive Peoples** ,1965 Reviewed by seven anthropologists with comments by Jensen **The Freedom of Man in Myth** Kees W. Bolle,2010-08-01 Myth is not a remote subject restricted to the limited intellect of pre logical man The question What is man is an ancient one It is also a recent one still unanswered in the impasse of our sciences Wherever and whenever human beings are alive there are creators of myth among them Kees Bolle singles out one group as having the most significant say in the formation of myths the mystics who epitomize the common urge for a simplicity beyond the whirlpool of personal existences And surprisingly the author finds that the study of humor provides a great deal of insight into the study of religious traditions Relating Religion Jonathan Z. Smith,2004-11-10 One of the most influential theorists of religion Jonathan Z Smith is best known for his analyses of religious studies as a discipline and for his advocacy and refinement of comparison as the basis for the history of religions Relating Religion gathers seventeen essays four of them never before published that together provide the first broad overview of Smith s thinking since his seminal 1982 book Imagining Religion Smith first explains how he was drawn to the study of religion outlines his own theoretical commitments and draws the connections between his thinking and his concerns for general education He then engages several figures and traditions that serve to define his interests within the larger setting of the discipline The essays that follow consider the role of taxonomy and classification in the study of religion the construction of difference and the procedures of generalization and redescription that Smith takes to be key to the comparative enterprise The final essays deploy features of Smith s most recent work especially the notion of translation Heady original and provocative Relating Religion is certain to be hailed as a landmark in the academic study and critical theory of religion

**Mythology and Folklore of the Hui, A Muslim Chinese People** Shujiang Li,Karl W. Luckert,1994-01-01 Martin Buber on Myth (RLE Myth) S. Daniel Breslauer,2015-03-05 This book first published in 1990 summarizes and evaluates the contribution of Martin Buber as a theorist of myth Buber provides explicit guidelines for understanding and evaluating myths He describes reality as twofold people live either in a world of things to which they relate as a subject controlling its objects or in a world of self conscious others with whom one relates as fellow subjects Human beings require both types of reality but also a means of moving from one to the other Buber understands myths as one such means by which people pass from I It reality to I You meeting In studying myths he focuses on the myths in the traditions he knows best but offers his advice and interpretation of mythology and scholarship about mythology generally Religion, Culture, and Politics in Pre-Islamic Iran Bruce Lincoln,2021-06-22 In Religion Culture and Politics in Pre Islamic Iran Bruce Lincoln offers a vast overview on different aspects of the Indo Iranian Zoroastrian and Pre Islamic mythologies religions and cultural issues The book is organized in four sections according to the body of evidence they engage most directly Avestan Old Persian Pahlavi and

Iranian materials in comparison with other data including studies of myths especially those with cosmogonic implications ritual practices cosmological constructions of space and time points of intersection between religion ethics law and politics ideological aspects of scientific and medical theorizing social organization and gender relations and other diverse topics

**Seven Story Tower** Curtiss Hoffman, 2008-01-07 From the white stag to the green knight The Seven Story Tower examines how myth colors our perception of history nature and ourselves Organized around seven key myths representing the Irish Greek Sumerian Indonesian Amazonian and Inuit cultures as well as the fantasy world of J R R Tolkien this book is the perfect introduction to the common themes found in world mythology Curtiss Hoffman a noted archaeologist and anthropologist takes us beyond the entertaining stories and uses insights from cultural anthropology and analytical psychology to analyze the many common themes found throughout In particular he examines the significance of names numbers plants animals the heavenly bodies and the human body The Seven Story Tower will enhance the reader's appreciation of myth's power today over our lives and cultures

Myth and the Christian Nation Burton L. Mack, 2014-12-18 America is widely regarded as the ultimate Christian Nation Religious language has always been at the forefront of American politics but this has increased since the events of 9 11 Myth and the Christian Nation presents a startling analysis of how and why Christianity and national identity have been woven together in recent American political discourse Drawing on examples of religious myth making across the ancient world Myth and the Christian Nation brings the weight of history to bear on America today a place where myth monotheism sovereignty and power can be harnessed together in the service of specific interests The book invites readers to rethink the role of religion in the construction of social democracy and to see America afresh

**Encyclopedia of Goddesses and Heroines** Patricia Monaghan, PhD, 2014-04-06 More Than 1 000 Goddesses Heroines from around the World Groundbreaking scholar Patricia Monaghan spent her life researching writing about and documenting goddesses and heroines from all religions and all corners of the globe Her work demonstrated that from the beginning of recorded history goddesses reigned alongside their male counterparts as figures of inspiration and awe Drawing on anthropology folklore literature and psychology Monaghan's vibrant and accessible encyclopedia covers female deities from Africa the eastern Mediterranean Asia and Oceania Europe and the Americas as well as every major religious tradition

**Spiritualism and Society (Routledge Revivals)** G. K. Nelson, 2013-10-18 First published in 1969 this title explores the origins of Spiritualism as a religious movement The first part is a history of Spiritualism with a focus on its origins within America and the development of the organisation within itself Next Nelson considers the rise of Spiritualism in Britain using evidence taken from contemporary journals other publications and interviews Finally the Spiritualist movement is analysed in terms of sociological theory looking at the Church and the definition of a Cult as well as concepts of authority and leadership This is a fascinating work which will be of great interest to students researching the origins and

development of the movement of Spiritualism and its relationship with society

### **Masks and Masking** Gary

Edson,2015-07-11 For at least 20 000 years masking has been a mark of cultural evolution and an indication of magical religious sophistication in society This book provides a comprehensive understanding of the mask as a powerful cultural phenomenon a means by which human groupings attempted to communicate their dignity and sense of purpose as well as establish a continuum between the natural and supernatural worlds It addresses the distinctive environments within which masks flourished and analyzes the mask as a manifestation of art ethnology and anthropology

### **The Question of**

**Sacrifice** Dennis King Keenan,2005-06-14 In this concentrated and detailed look at questions surrounding the act of sacrifice Dennis King Keenan discusses both the role and the meaning of sacrifice in our lives Building on recent philosophical discussions on the gift and transcendence Keenan covers new ground with this exploration of the religious psychological and ethical issues that sacrifice entails According to Keenan sacrifice is paradoxically called to sacrifice itself But what does this necessary yet impossible condition mean for living an ethical life Along the way to an answer Keenan considers the views of Hegel Kierkegaard Nietzsche Heidegger Bataille Lacan Levinas Blanchot Irigaray Derrida Kristeva Nancy and Zizek This thoughtful and provocative work affords a sophisticated philosophical treatment of the question of sacrifice

### **Elements of**

**Ritual and Violence** Margo Kitts,2018-03-31 Ritualized violence is by definition not haphazard or random but seemingly intentional and often ceremonial It has a long history in religious practice as attested in texts and artifacts from the earliest civilizations It is equally evident in the behaviors of some contemporary religious activists and within initiatory practices ongoing in many regions of the world Given its longevity and cultural expanse ritualized violence presumably exerts a pull deeply into the sociology psychology anthropology theology perhaps even ontology of its practitioners but this is not transparent This short volume will sketch the subject of ritualized violence that is it will summarize some established theories about ritual and about violence and will ponder a handful of striking instantiations of their link

### **How We Believe** Michael

Shermer,2003-10-01 A new edition covering the latest scientific research on how the brain makes us believers or skeptics Recent polls report that 96 percent of Americans believe in God and 73 percent believe that angels regularly visit Earth Why is this Why despite the rise of science technology and secular education are people turning to religion in greater numbers than ever before Why do people believe in God at all These provocative questions lie at the heart of How We Believe an illuminating study of God faith and religion Bestselling author Michael Shermer offers fresh and often startling insights into age old questions including how and why humans put their faith in a higher power even in the face of scientific skepticism Shermer has updated the book to explore the latest research and theories of psychiatrists neuroscientists epidemiologists and philosophers as well as the role of faith in our increasingly diverse modern world Whether believers or nonbelievers we are all driven by the need to understand the universe and our place in it How We Believe is a brilliant scientific tour of this ancient and mysterious desire
