## Myth Magic And Morals:

**Myth, Magic, and Morals** F. C. Conybeare, 2020-11-12 Of all the great figures which look down upon us across the gulf and void of time Jesus of Nazareth is the most gracious and winning of aspect and although his memory was soon associated with that policy of craft and exclusiveness of cruelty and credulity which in East and West styled itself orthodoxy nevertheless his name has ever been for the poor and the oppressed for the despised and disinherited of the earth a bond and symbol in union of peace and charity It behooves us then more than ever in this age when old faiths are loosening their hold on us and new superstitions like Spiritualism Occultism and Christian Science threaten to imprison our minds afresh to inquire carefully who Jesus of Nazareth was what were his real aims and ideas what the means at his command for realizing them how the great institutions connected with his name originated and grew up This I have tried to do in the following pages From the Introduction *Myth, Magic, and Morals* Fred C. University pulpit that if Freethinkers were not illivers they would never have been Freethinkers I have known the late Bishop Stubbs reject a candidate for ordination because he could not accept as genuine and literal historical fact the first six chapters of Genesis About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
