Myth Of Certainty Trusting God Asking Questions Taking Risks:

The Myth of Certainty Daniel Taylor, 1992 Taylor attempts to help people who are experiencing their mind awakening and yet do not know how to resolve all their questions and struggles A work of unusual excellence a badly needed work M Scott Peck *The Gagging of God* D. A. Carson, 2009-09-01 The Gold Medallion Award winning book that presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism A great majority of social commentators attempting to define modern Western culture land on a common characteristic pluralism This isn't unique to secular culture Many modern approaches to Christian hermeneutics or biblical interpretation have given credence to contemporary pluralism What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness It's no secret that the contemporary challenges to Christianity are complex and serious Yet far from simple fear mongering or cultural warmongering *The Gagging of God* takes a hard look at the background and intricacy of pluralism postmodernity and hermeneutics and equips thoughtful Christians to have intelligent culturally sensitive and passionate fidelity to the gospel of Jesus Christ In his contemplative even handed approach Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface It invites Christians to grapple responsibly with urgent questions of biblically grounded theology spirituality and the defining lines of Christianity along with its range of challenges from without and within *The Gagging of God* offers an in depth look at the big picture shows how the many ramifications of pluralism are all parts of a whole and provides a systematic Christian response *Biblical Counsel*, 1993

Finding the Groove Robert Gelinias, 2009 Picture the possibilities if American churches operated like jazz combos instead of slick corporations Drawing brilliant parallels between the body of Christ and the qualities inherent to jazz Robert Gelinias points us beyond the ordinary to the often overlooked freedom beauty grace unity creativity and power that are our birthright as believers *Climbing the Spiritual Mountain* Alan Davey, Elizabeth Davey, 2014-09-24 This is a guide for spiritual mountain climbers In the Scriptures connecting with Abba often leads to a mountain Modern spiritual writers have long recognized this scriptural metaphor and explored the nature of this journey of ascent Drawing on the text of the Bible works of literature and the writings of mystics both old and new *Climbing the Spiritual Mountain* speaks of the desires and intentions discipline and effort involved in developing our intimacy with Christ In Jesus dealings with people in the Gospels he draws them up the spiritual mountain through dialogue and questions Like Socrates of old his teaching method probes our thinking knowledge and motives In the process he stimulates our longing and desire to reach the summit There are challenges hurdles and difficult choices to make as we climb the spiritual mountain But the reward approaching the beautiful One who is our Abba far outshines any sacrifice we may make on the climb **The Passionate Bride** Alan Davey, Elizabeth Davey, 2019-03-25 St Paul's Letter to the Ephesians is a bold declaration of love We were in the ruminations of Abba before the stardust formed into galaxies and the earth coalesced into its present shape Indeed Abba's dream for his people already

existed in those primordial days Today we have the opportunity to wake up and embrace his dream with enthusiasm and intentionality As members of his church individually and collectively we want to embrace God s desire for a dynamic people infused with his passionate love The church as the bride of Christ is a powerful metaphor engaging the apostle as he writes his letter Paul s passion becomes ours as we meditate on his words which evoke spiritual desire It is in this relationship of love that the central purpose of our lives is found As we gratefully receive Christ s amity and as his bride returns it so the entire earth is enflamed with the fires of his love At the same time we recognize it is a mystery this love between Abba and his church When we receive and reflect Christ s overtures of love as a community of faith a synergy is created and released through the interconnectedness of our gifts talents and zeal The church contains the spiritual energy of a nuclear explosion and when it detonates it releases a fallout of love mercy and compassion bringing healing to the world and drawing others to the divine presence

Discipled by Jesus Robert Gelinas,2018 Jesus is alive So why do we follow him like he s not Sometime during the centuries between Jesus time on earth and ours we started to believe that living vicariously through the ancient disciples was the closest we could ever get to being discipled by Jesus But Jesus promised to never leave us or forsake us He is alive and because of his great love for each of us Jesus is ready willing and able to do for us what he did for the twelve Robert Gelinas dives into the Bible to show us the Jesus of the gospels and the Jesus who is alive and yearning to disciple each one of us today Isn t it time we allowed ourselves to be discipled by Jesus
