Myth Of More And Other Lifetraps That Sabotage The Happiness You Deserve:

The Myth of More Joseph R. Novello, 2001 Joseph Novello's new book has a simple but powerful message. People constantly chase after happiness but in confusing happiness with pleasure they set themselves up for continual frustration and failure. Pleasure is a short-term high that comes from without while happiness is an abiding serenity that comes from within. Happiness lies in accepting who we are right now and what we have right now. A major obstacle to happiness is one's lifetraps: patterns of behavior that helped us cope in childhood but which now cause us to be dysfunctional as adults. What began as habits end up as core components of our personality. But even after overcoming these lifetraps, Novello discovered people still need to go further to find happiness; they need to discover the spirituality within life and within themselves.

Duty Calls Antonia Novello, Jill S. Tietjen, 2024-03-05 Follow the remarkable journey of a trailblazing American leader, Dr. Antonia Novello, the first woman and the first Hispanic Surgeon General of the United States. Dr. Antonia Novello is a vanguard in the United States and Puerto Rico whose enduring commitment to service has left an indelible mark on the world of public health. With a distinguished career spanning more than four decades, including serving as the US Surgeon General and the New York State Commissioner of Health during 9/11, her story highlights an unwavering dedication to improving the well-being of individuals and communities. Dr. Novello's story is one of challenges faced and overcome, of resilience and perseverance, and of shattering glass ceilings and opening doors for future generations of leaders. With honesty and openness, she shares her early battles with childhood illness and her desire to overcome stereotypes while also chronicling her meteoric rise through various roles in the field of health care, leading to her service as the nation's top medical officer. From her struggles to her celebrations to her tireless advocacy for the health of young people, each chapter offers a glimpse into the resilience and wisdom that have shaped her life, unveiling the profound lessons she has gathered along the way. In *Duty Calls*, readers will learn about Dr. Novello's early life and her struggles with congenital megacolon, her medical school and internship experiences, how she became the first female first Hispanic Surgeon General of the United States, Dr. Novello's work as the New York State Commissioner of Health during 9/11, her efforts to vaccinate and provide health care resources to her home in Puerto Rico after Hurricane Maria, and wisdom and insights Dr. Novello gained through her life experiences as well as her advice for the next generation and everyone else. *A Critical History of Psychotherapy, Volume 2* Renato Foschi, Marco Innamorati, 2022-11-30 This unique book offers a comprehensive overview of the history of psychotherapy.
