*Myth and Legend of Ancient Israel* Angelo Solomon Rappoport, 1928      **Solomon's Angels** Doreen Virtue, 2009-10-05  
SOLOMON s ANGELS King Solomon knew how to harness universal energies to build his temple tap into wisdom and enjoy all of life s riches The only thing he was missing was true love Makeda the Queen of Sheba was young and filled with exuberant curiosity about the world On her journey to meet King Solomon Makeda learned about the Jinn elemental realm and how to work with the sun and moon s magical light but she still wasn t sure how to take charge of her own life In Solomon s Angels Doreen Virtue s first novel which is culturally accurate based on thoroughly researched historical biblical and archaeological information you ll see how Solomon and Makeda s meeting changed both of their lives forever You ll peek over the Queen of Sheba s shoulder and discover the ancient secrets behind how Solomon s temple was built without hammers and saws and the role that the archangels and sacred geometry played in manifestation and Divine magic Solomon and Makeda s magically romantic story will inspire you in many ways      **Solomon's Angels (EasyRead Super Large 18pt Edition)** Doreen Virtue, 2008      **Solomon's Angels (EasyRead Super Large 20pt Edition)** ,      **Elijah Prophet of Carmel** Jane Ackerman, 2018-07-18 For Carmelites Elijah is considered their legendary founder and patron This study explores Elijah in Scripture legend and Carmelite documents Members of the three monotheistic faiths have always told stories of what the prophet Elijah has done and is still expected to do in sacred history He is perhaps most appreciated by members of the Carmelite Order known for its contemplative and pastoral orientation Elijah is considered their legendary founder and traditional patron Carmelites rank him as one of their greatest spiritual models Their coat of arms displays his flaming sword Mount Carmel and Elijah s proclamation With zeal I have been zealous for the Lord God of Hosts This book inquires into this deep appreciation It examines the linkage between the Order and the prophet over time More Information Beginning with the oldest knowledge we have about Elijah coming from Scripture Elijah Prophet of Carmel briefly sketches his role in the three faiths of Judaism Christianity and Islam It then turns to what the distant but influential Christian antecedents of the Carmelite Order the desert hermits and the early Fathers wrote about the zealous man of God As the Carmelite Order was founded achieved its corporate identity and changed over time so did its views of its legendary model Interaction between storytelling about Elijah and Carmelites understanding of themselves continues even to the present As thoughts from the past about the prophet continue to influence them both Teresian Carmelites and Carmelites of the Ancient Observance of our times are developing a brand new tradition of him the tradition of Elijah s double charism      **Dictionary of the Old Testament: Wisdom, Poetry and Writings** TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God s world The hymns laments and

thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm's reach of any student teacher or preacher working in this portion of biblical literature

Leonard W. King, 2005-05-24 In these lectures the Schweich Lectures of 1916 an attempt has been made not so much to restate familiar facts as to accommodate them to new and supplementary evidence which has been published in America since the outbreak of the war Hebrew achievements in the sphere of religion and ethics are only thrown into stronger relief when studied against their contemporary background The bulk of our new material is furnished by some early texts written towards the close of the third millennium B C They incorporate traditions which extend in unbroken outline from their own period into the remote ages of the past and claim to trace the history of man back to his creation They represent the early national traditions of the Sumerian people who preceded the Semites as the ruling race in Babylonia and incidentally they necessitate a revision of current views with regard to the cradle of Babylonian civilization from the Preface
