*A Storyteller's Jesus*

John R. Aurelio

# Myth Man A Storytellers Jesus

**Madeleine L'Engle**

## **Myth Man A Storytellers Jesus:**

**Myth Man** John R. Aurelio, 1993 A life of Christ for the 1990s Aurelio's masterwork is now in paperback A wonderful retelling of the Gospel accounts as story Aurelio remains faithful to the essential truth of the Gospels but feels free to give Jesus and the other characters emotions and feelings Anyone who wants to see the Gospels from a fresh perspective will cherish this book ALA Booklist

**A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

*The Compelling Faces of Jesus Christ* William Powell Tuck, 2008 In seeking to explore who Jesus is the author has explored the meaning of the Incarnation Christ as Teacher and healer and the rejected crucified and risen one Finally he probes the meaning of the Christ as a present reality and how he can still be known Tuck writes in a nontechnical way to draw reader into the realization of the importance of personal commitment to Christ if one is to more fully grasp the meaning of Christ's person and presence The ink drawings by Israel Galindo invite the reader to probe in a visual manner the rich interpretation of the compelling faces of Jesus

**BOOK JACKET** [Jesus the Storyteller](#)

Stephen I. Wright, 2015-11-17 While it is widely acknowledged that Jesus told stories there has not been much focus on why he did so and how these stories contributed to his ministry Stephen Wright approaches this topic afresh to analyze how considering the parables as stories can help our understanding of Jesus and his mission Wright begins by looking for insights in scholarship from recent decades on the parables and the historical Jesus He goes on to imagine how these stories would have resonated with hearers in each of the Synoptic Gospels and considers the dynamics between Jesus and his hearers in different locations like Galilee and Jerusalem Finally Wright considers the purpose of these parables as an element of Jesus' ministry and looks at Jesus himself as a storyteller This book will provide a solid basis for understanding why Jesus spoke in parables and how this distinctive style of speech functioned in his ministry

**Jesus as Man, Myth, and Metaphor**

Benjamin W. Farley, 2007-09-01 Current New Testament scholarship has done much to advance knowledge of Jesus's authentic words and message. The works of Crossan, Borg, Vermes, Mack, and many others attest to this movement. In this process, however, the Christ of the Gospels or the so-called Christ of faith has been caught in the crosshairs, forcing Christianity to reflect anew on the church's interpretation of his life and place in history. Has the church's dogma overreached the facts of Jesus's life? Farley's book addresses these issues and offers a feasible and illuminating context within which to reexamine Jesus's life and significance for modern humankind. His book probes the boundaries of Jesus as a historical person, as a man, as a figure of mythical proportions, and as a metaphor for today's Christian sense of wholeness. Along the way, Farley incorporates the insights of Carl Jung, Joseph Campbell, and Paul Tillich to demonstrate the ways that psychology, mythology, and symbolism contribute to an appreciation of Jesus that moves beyond the debate of Jesus's historical status alone.

**Jesus: Evidence and Argument or Mythicist Myths?** Maurice Casey, 2014-01-16 Did Jesus exist?

In recent years, there has been a massive upsurge in public discussion of the view that Jesus did not exist. This view first found a voice in the 19th century when Christian views were no longer taken for granted. Some way into the 20th century, this school of thought was largely thought to have been utterly refuted by the results of respectable critical scholarship from both secular and religious scholars. Now many unprofessional scholars and bloggers, mythicists, are gaining an increasingly large following for a view many think to be unsupportable. It is starting to influence the academy more than that it is starting to influence the views of the public about a crucial historical figure. Maurice Casey, one of the most important Historical Jesus scholars of his generation, takes the mythicists to task in this landmark publication. Casey argues neither from a religious perspective nor from that of a committed atheist. Rather, he seeks to provide a clear view of what can be said about Jesus and of what can't.

*John as Storyteller* Mark W. G. Stibbe, 1994-12-08 A widely acclaimed study which suggests a new holistic approach to the gospel literature.

*Colors* John R. Aurelio, 1993 One of America's favorite storytellers is back with a stunning new collection of fables on Christian themes that speaks to the hearts and minds of adults and children alike. 70 fables that bring to light the beauty and mystery of the kingdom of God.

*Answers for the Honest Skeptic* Ted

Even, 2021-07-01 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is. For centuries and centuries, highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth. Since they cannot all be right, this would strongly indicate that education, religious persuasion, or even intelligence has little to do with our discovery of the real spiritual truth. For if these things were truly critical, then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago. In this work, author Ted Even endeavors to show that the disagreeing intellectuals/skeptics of the past only serve to reinforce Christ's radical statement about our need to just become like little children in order to discover the spiritual truth, and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis. However, while super

intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing

**Church & Synagogue Libraries** ,1992      *I Am Who I Am* Rev. Thomas O'Donnell,2006-10-04 Said God to Moses I am who I am Ever since questions about God abound Who what where when why Even how many In the Christian faith tradition what about all that trinitarian stuff the Father the Son the Holy Sprit Is it one God Three Gods What s up I AM WHO I AM is God s answer to all these questions and more For the first time ever God speaks out The God of the Holy Spirit the immanent God inside speaks out And all is good I AM WHO I AM is God s answer to all these questions and more For the first time ever God speaks out By overthrowing the hierarchical Trinity with the Father enjoying a view from the top and the Holy Spirit bringing up the rear and by replacing it with a circular Trinity having no beginning and no end for the first time ever God is free to speak God s mind The God of the Holy Spirit the immanent God inside speaks out And all is good The book is divided into six Parts as we all know on the seventh God rests After a general introduction in Part I Parts II IV are devoted to each persona of the Trinity offering thoughts on anything and everything on Creation and the Creative Process on the mind of God on the need for an extreme make over when it comes to God and the Holy Trinity in contemporary society on the universality of the story of Jesus and so much more Speaking to the reader in no nonsense user friendly terms Part V addresses such theological topics as The Prayer of the Preyer S I N Satan Heaven Hell and everything in between The final part the Epilogue is a return of that talking donkey out of the Book of Number s Balaam s Donkey reporting from the parade route of Jesus into Jerusalem It is something that no one should miss Finally an autobiography of God as seen through the lens of God Finally the God of the Holy Spirit gets his her say And all is good I AM WHO I AM is the first of three autobiographies featuring God Satan and Jesus respectively Stay tuned for Satan s personal story in E MAILS FROM THE UNDERWORLD and for I AM THE WORD AN AUTOBIOGRAPHY OF JESUS      *Living the Christian Scriptures* Jorl Gorun,1996      **Timeless Storyteller**

Evelyn F. Capel,Evelyn Francis Capel,1995-11 Throughout history stories have been used to convey the highest and noblest truths In the parables of Jesus Christ we find some of the best known examples of such stories containing depths of meaning still highly relevant to our time Originally Christ told the parables to crowds gathered by the lakeside in Galilee to his disciples and even to his opponents the Pharisees and Sadducees Yet as Evelyn Capel demonstrates these parables grow from age to age as human consciousness develops revealing as little or as much as we are able and ready to hear The Timeless Storyteller discusses twelve of Christ s parables in a way suitable to our present consciousness      *The Storyteller's Companion to the Bible Volume 9* Michael E. Williams,2011-09-01 subscription item for Ministry Matters      *Gather Round* John Aurelio,1992 Sixteen original fairy tales illustrating Christian principles      *The Rock That Is Higher* Madeleine L'Engle,2018-09-18 We are all strangers in a strange land longing for home but not quite knowing what or where home is We

glimpse it sometimes in our dreams or as we turn a corner and suddenly there is a strange sweet familiarity that vanishes almost as soon as it comes Madeleine L Engle from *The Rock That Is Higher* Story captures our hearts and feeds our imaginations It reminds us who we are and where we came from Story gives meaning and direction to our lives as we learn to see it as an affirmation of God's love and truth an acknowledgment of our longing for a rock in the midst of life's wilderness Drawing upon her own experiences well known tales in literature and selected narratives from Scripture Madeleine L Engle gently leads the way into the glorious world of story in *The Rock That Is Higher* Here she acknowledges universal human longings and considers how literature Scripture personal stories and life experiences all point us toward our true home

The Monstered Self Eduardo González, 1992 Viewing stories and novels from an ethnographic perspective Eduardo González here explores the relationship between myth ritual and death in writings by Borges Vargas Llosa Cortázar and Roa Bastos He then weaves this analysis into a larger cultural fabric composed of the works of Chaucer Shakespeare Joyce Benjamin H G Wells Kafka Poe and others What interests González is the signature of authorial selfhood in narrative and performance which he finds willfully and temptingly disfigured in the works he examines horrific and erotic subservient and tyrannical charismatic and repellent Searching out the personal image and plot González uncovers two fundamental types of narrative one that strips character of moral choice and another in which characters' choices deprive them of personal autonomy and hold them in ritual bondage to a group Thus *The Monstered Self* becomes a study of the conflict between individual autonomy and the stereotypes of solidarity Written in a characteristically allusive elliptical style and drawing on psychoanalysis religion mythology and comparative literature *The Monstered Self* is in itself a remarkable performance one that will engage readers in anthropology psychology and cultural history as well as those specifically interested in Latin American narrative

*Storyteller* Leo Damrosch, 2025-09-02 From a critically acclaimed biographer an engrossing narrative of Robert Louis Stevenson's life a story as romantic and adventurous as his fiction This magnificent biography of Robert Louis Stevenson reveals much about a writer that we think we knew Dazzling Kirkus Reviews starred review Robert Louis Stevenson 1850-1894 is famed for *Treasure Island* *Kidnapped* and *Strange Case of Dr Jekyll and Mr Hyde* but he published many other novels and stories before his death at forty-four Despite lifelong ill health he had immense vitality Mark Twain said his eyes burned with smoldering rich fire Born in Edinburgh to a family of lighthouse engineers Stevenson set many stories in Scotland but sought travel and adventure in a life as romantic as his novels I loved a ship he wrote as a man loves burgundy or daybreak The adventures were shared with his free-spirited American wife Fanny with whom he moved to the South Pacific Samoan friends named Stevenson *Storyteller* Reading he said should be absorbing and voluptuous we should gloat over a book be rapt clean out of ourselves His own books have been translated into dozens of languages Jorge Luis Borges called his stories one of the forms of happiness and other modernist masters as various as Proust Nabokov and Calvino have paid tribute to his greatness as a literary artist In *Storyteller* Leo Damrosch brings to life an unforgettable

personality illuminated by many who knew Stevenson well and drawing from thousands of the writer's letters in his many voices and moods playful imaginative at times tragic      **Rhetoric and Human Consciousness** Craig R. Smith, 2017-04-12

For two decades students and instructors have relied on award winning author Craig Smith's detailed description and analysis of rhetorical theories and the historical contexts for major thinkers who advanced them He employs key themes from important philosophical schools in this well researched chronicle of rhetoric and human consciousness One is that rhetoric is a response to uncertainty The modern philosophers like the naturalists of ancient Greece and the Scholastics who preceded them tried to end uncertainty by combining the discoveries of science and psychology with rationalism Their aim was progress and a consensus among experts as to what truth is However where modernism proved ineffective rhetoric was revived to fill the breach Another significant theme is that different conceptions of human consciousness lead to different theories of rhetoric and for every major school of thought another school of thought forms in reaction Classic and contemporary examples demonstrate the usefulness of rhetorical theory especially its ability to inform and guide By providing probes for rhetorical criticism discussions also demonstrate that rhetorical criticism illustrates verifies and refines rhetorical theory Thus the synergistic relationship between theory and criticism in rhetoric is no different than in other arts Theory informs practice analysis of successful practice refines theory Smith's absorbing study has been expanded to include thorough treatments of rhetoric in the Romantic Era feminist and queer theory and historical context for the creation of rhetorical theory and its use in public address      **Walk Back the Cat** Pamela Binnings Ewen, 2006 Wesley Bright a corrupt media savvy clergyman is out to destroy the Christian church of the God who was never there during his childhood The novel travels through the past from 33 AD to the 1950s and present day as Wesley tries to prove that truth is relative
