Mythmakers Magic:

The Mythmaker's Magic Delos Banning McKown, 1993 McKown philosophy Auburn U attacks the notion that the Biblical myth of creation can stand on equal footing with the theory of evolution He points out ambiguities and rhetorical ploys notes where creationists conveniently slip out of a literal reading of scripture and traces the logical path of not doing so and warns of the dangers the movement poses to political and educational health Annotation copyright by Book News Inc Portland OR

Behold the Antichrist Delos Banning McKown, 2010-12 During his long productive life the great English philosopher and exponent of utilitarianism Jeremy Bentham 1748 1832 wrote not just on political philosophy but also clandestinely on religion Under the pseudonym of Philip Beauchamp he published an attack on natural religion called *Analysis of the Influence of Natural Religion on the Temporal Happiness of Mankind* and under the pseudonym of Gamaliel Smith he published a book of New Testament criticism called *Not Paul But Jesus* In addition Bentham bravely released under his own name *Church of Englandism and Its Catechism Examined* a thorough biting critique of Anglican doctrine These little known works are discussed at length by philosopher Delos B McKown in this informative contribution to Bentham scholarship McKown introduces these major works on religion and then presents an extensive synopsis of each He defends Bentham against the criticisms of opponents where necessary but does not hesitate to criticize Bentham when he feels he goes astray McKown also shows how Bentham's attacks on the Christianity of his time which denigrated human life in the here and now for some imagined future postmortem state of glory fully complemented his utilitarian philosophy of the greatest happiness to the greatest number of people This thorough analysis of three little known works by one of philosophy's great minds makes an outstanding contribution to Bentham scholarship and will be of interest to humanists and philosophers of religion

Myths and Myth-makers John Fiske,1874 *Myths and Myth-Makers: Old Tales and Superstitions Interpreted by Comparative Mythology* John Fiske,1873 *The Mythmaker* Hyam Maccoby,1986 The author presents new arguments which support the view that Paul not Jesus was the founder of Christianity He argues that Jesus and also his immediate disciples James and Peter were life long adherents of Pharisaic Judaism Paul however was not as he claimed a native born Jew of Pharisee upbringing but came in fact from a Gentile background He maintains that it was Paul alone who created a new religion by his vision of Jesus as a Divine Saviour who died to save humanity This concept which went far beyond the messianic claims of Jesus was an amalgamation of ideas derived from Hellenistic religion especially from Gnosticism and the mystery cults Paul played a devious and adventurous political game with Jesus followers of the so called Jerusalem Church who eventually

disowned him The conclusions of this historical and psychological study will come as a shock to many readers but it is nevertheless a book which cannot be ignored by anyone concerned with the foundations of our culture and society Book jacket

The Power of Identity Claims Dale T. Miller,2020-10-12 This book draws on research in psychology and behavioral economics to show how striving to live up to our identity claims profoundly affects our daily lives The author argues the claims we make about who we are and what we stand for powerfully influence us and our social world Asking questions such as Why do people resist the temptation to cheat when cheating would benefit them greatly and no one would find out Why do people express different beliefs about climate change when they are first reminded of their political affiliation Why do people prefer to be compensated for donating blood with cholesterol screening than with money Miller puts forth a novel and compelling argument regarding how strongly our

identity claims affect our daily lives The book provides explanations for many forms of puzzling behavior such as why people sometimes act against their economic self interest how they avoid situations that test their moral identities and how they respond to failures to live up to their moral identities It paints an intriguing picture of people s investment in their identity claims by showing how they seek opportunities to demonstrate their validity avoid actions and circumstances that challenge their legitimacy and employ psychological defenses when others challenge their legitimacy Based on extensive research in the fields of psychology economics and political science this book is fascinating reading for students and academics interested in identity and the self It also provides an expanded tool kit for those who seek behavioral change in their organization or community *The Mythmaker* Dr. Mary Harrell,2018-05-01 The Mythmaker is a personal myth a fiction based on actual events and tells the extraordinary tale of Katie Neumann s childhood interrupted when her mother dies in childbirth leaving seven children and their overwhelmed father to figure out what to do What Katie faces next most people can t imagine The appearance of a mysterious and unwanted figure opens an enchanted space for all that follows **The Witches' Almanac: Issue 34, Spring 2015 to Spring 2016** Theitic,2014-09-01 Founded in 1971 by Elizabeth Pepper the art director of Gourmet magazine for many years The Witches Almanac is a witty literate and sophisticated publication that appeals to general readers as well as hard core Wiccans At one level it is a pop reference that will fascinate anyone interested in folklore mythology and culture but at another it is the most sophisticated and wide ranging annual guide for the Wiccan enthusiast Modeled after the Old Farmers Almanac it includes information related to the annual Moon Calendar weather forecasts and horoscopes as well as legends rituals herbal secrets interviews mystic incantations interviews and many a curious tale of good and evil Although it is an annual publication only about 15 percent of the content is specific to the date range of each issue The theme of Issue 34 Spring 2015 Spring 2016 is Fire the Transformer and among our lineup of obscurities is the Krampus a Wassail recipe Botanicas the Restless Dead Rum and the Tibetan Dorje The Witches' Almanac 2021-2022 Standard Edition Theitic,2020-11-05 Founded in 1971 by Elizabeth Pepper the art director of Gourmet magazine for many years The Witches Almanac is a witty literary publication that appeals to general readers as well as hard core Wiccans At one level it is a pop reference that will fascinate anyone interested in folklore mythology and culture but at another it is the most sophisticated and wide ranging annual guide available today for the mystic enthusiast Modeled after the Old Farmers Almanac it includes information related to the annual Moon Calendar weather forecasts and horoscopes as well as legends rituals herbal secrets mystic incantations interviews and curious tales of good and evil Although it is an annual publication much of the content is both timely and timeless non specific to the date range of each issue The theme of Issue 40 Spring 2021 Spring 2022 is The Sun Rays of Hope The following articles are also included Mithras Comrade of the Sun Savior of Soldiers Tell the Bees Exploring and Embracing the Fluid Gender and Sexuality of Witch Gods Bringing Fairies Back to Your Home And much more The Witches' Almanac, Issue 35 Spring 2016 - Spring 2017 Theitic,2015-09-01
