

► VP becomes P when...

- What occurs when the President is unable to perform the duties of the office?
 - If a President dies, resigns, or is removed by impeachment, the Vice President succeeds to the presidency.
 - If the President is temporarily incapacitated, the Vice President becomes Acting President until the President can resume office.

Number 2 A Look At The Vice Presidency

Lei Huang

Number 2 A Look At The Vice Presidency:

#2 Robert I. Alotta, 1981 Shows the inner workings of the office that is a heartbeat away from the Presidency and focuses on the men mostly forgotten who have held the position **Vice-Presidents: A Look Behind the Facade** Pasquale De Marco, 2025-04-08 The vice presidency of the United States is a unique and often misunderstood office On the one hand the vice president is just a heartbeat away from the presidency and in some cases has even succeeded to the presidency On the other hand the vice president has very little real power and is often seen as nothing more than a spare tire In this book we take a comprehensive look at the vice presidency exploring its history powers and duties We also examine the challenges that vice presidents face and the impact that they can have on history We begin by examining the origins of the vice presidency which was created by the framers of the Constitution as a way to ensure that there would always be a successor to the president in the event of death resignation or impeachment We then explore the powers and duties of the vice president which include presiding over the Senate breaking tie votes and advising the president We also examine the challenges that vice presidents face which include the limited formal powers of the office the shadow of the president and the lack of public attention Despite these challenges we show that vice presidents can have a significant impact on history especially when they are close to the president and have the president's trust Finally we consider the potential for reforming the vice presidency in the future We discuss proposals for giving the vice president more power and responsibility and we explore the possibility of creating a more independent vice presidency Whether you are a student of history a political junkie or simply a curious citizen this book will give you a new understanding of the vice presidency and its role in American government If you like this book write a review **The American Vice Presidency Reconsidered** Jody C. Baumgartner, 2006-07-30 Since 1960 the office of the vice presidency of the United States has evolved into a fundamentally different institution than the one the founders envisioned attracting better qualified aspirants who may be called upon to perform a variety of important tasks This book offers a corrective to the overwhelmingly negative view that Americans have had of their vice presidents by demonstrating how the role has changed over time In addition Baumgartner examines those who were candidates for vice president but who were not elected The book is organized thematically according to the career path of the vice president from the selection process through campaign and nomination to election service in office and post White House contributions John Adams famously called the vice presidency the most insignificant office that ever the invention of man contrived or his imagination conceived Harry Truman called it about as useful as a cow's fifth teat How things have changed in a world where many consider Vice President Dick Cheney the most powerful figure in the current administration Since 1960 the office of the vice presidency of the United States has evolved into a fundamentally different institution than the one the founders envisioned attracting better qualified aspirants who may be called upon to perform a variety of important tasks No longer a ceremonial figurehead or legislative drudge the vice president today consults closely with the president and plays an

important role in executive decisions Those who are chosen as running mates are examined more thoroughly than ever before not merely for the boost they might give the presidential candidate in the general election but also for the kind of president they might be if fate called upon them to serve In a book that is as readable as it is fascinating Baumgartner offers a corrective to the overwhelmingly negative view Americans have had of their vice presidents by demonstrating how the role has changed over time Setting the stage with a visit to the Constitutional Convention and a brief look at pre modern vice presidents he examines the 19 men and one woman who have been vice presidents or candidates for the office since 1960 His insightful book is organized thematically according to the career path of the vice president from the selection process through the campaign and nomination to election service in office and post White House contributions *The White House Vice Presidency* Joel K. Goldstein, 2017-03-03 I am nothing but I may be everything John Adams the first vice president wrote of his office And for most of American history the nothing part of Adams s formulation accurately captured the importance of the vice presidency at least as long as the president had a heartbeat But a job that once was not worth a bucket of warm spit according to John Nance Garner became in the hands of the most recent vice presidents critical to the governing of the country on an ongoing basis It is this dramatic development of the nation s second office that Joel K Goldstein traces and explains in *The White House Vice Presidency* The rise of the vice presidency took a sharp upward trajectory with the vice presidency of Walter Mondale In Goldstein s work we see how Mondale and Jimmy Carter designed and implemented a new model of the office that allowed the vice president to become a close presidential adviser and representative on missions that mattered Goldstein takes us through the vice presidents from Mondale to Joe Biden presenting the arrangements each had with his respective president showing elements of continuity but also variations in the office and describing the challenges each faced and the work each did The book also examines the vice presidential selection process and campaigns since 1976 and shows how those activities affect and or are affected by the newly developed White House vice presidency The book presents a comprehensive account of the vice presidency as the office has developed from Mondale to Biden But *The White House Vice Presidency* is more than that it also shows how a constitutional office can evolve through the repetition of accumulated precedents and demonstrates the critical role of political leadership in institutional development In doing so the book offers lessons that go far beyond the nation s second office important as it now has become *Weekly Compilation of Presidential Documents* ,1971 **Congressional Record** United States. Congress, 2000 Investigation of Illegal Or Improper Activities in Connection with 1996 Federal Election Campaigns ,1999 106-1 Committee Print: Investigation Of Illegal Or Improper Activities In Connection With 1996 Federal Election Campaigns, Witness Deposition Testimony, S. Prt. 106-30, Part 10 of 10, 1999 ,2000 **Railroad Age Gazette** ,1908 106-1 Committee Print: Witness Deposition Testimony, Investigation of Illegal Or Improper Activities in Connection with 1996 Federal Election Campaigns, S. Prt. 106-30, Part V of X 1999 ,2000 **House documents** ,1875 **Nomination of Gerald R. Ford to be the Vice President**

of the United States United States. Congress. House. Judiciary Committee,1973 **Nomination of Gerald R. Ford to be the Vice President of the United States** United States. Congress. House. Committee on the Judiciary,1973 Our Government United States. Immigration and Naturalization Service,1971 Our Government ,1973 *106-1 Committee Print: Witness Deposition Testimony, Investigation of Illegal Or Improper Activities in Connection With 1996 Federal Election Campaigns, S. Prt. 106-30, Part 8 of 10, 1999 ,1999* **Becoming a Citizen Series** ,1964 *Becoming a Citizen Series: Our government* ,1980 **Our American Way of Life: Our government** United States. Immigration and Naturalization Service,1980 *Becoming a Citizen Series* United States. Immigration and Naturalization Service,1971
