Nurse In The Shadows:

Nurse in the Shadows Bernadette O'Brien,1970 Nurse in the Shadows Peggy GADDIS,1993 **Shadows** Harold Grahame Richards,1917 Nurse in the Shadows Peggy Gaddis,1965 Shadows of Flames Amélie Rives,1915 *The Unseen War* Kisha Ninham,2011-07-26 The Unseen War is the story of people dealing with life issues not knowing there is a war going on around them between the Shadows and Lights The Lights are fighting to protect and preserve humankind for the good of the Sun While lurking in the darkness the Shadows who have a short time to exist are trying to destroy the humans and their Lights Much like other families there is a family caught in the middle of this fight between good and evil They are going to have to pull together to get through these trying times When faced with adversity will they fall to the Shadows calling or will the goodness of the Light shine through Shadow Caster Stephen Colter,2012-11-16 Bobby hasn't seen his grandmother Mae for a while When she shows up he isn't sure if it's really her since she arrives while he's dreaming She returns each time he dreams and then tells him what's going on he is a Shadow Caster Strange things continue to happen when he dreams and even stranger things when he's awake Then his shadow begins to do things not things that are under his control at least not at first He has to figure out how to use mystical abilities to save Mae because she has answers to his questions since she too is a Shadow Caster A fast paced energetic story about Bobby a boy who discovers a new world around him and inside himself He and his two friends provide an innocent lighthearted and sometimes comical approach to dealing with situations from saving a dog to fighting with evil spirits Bobby goes from geek to a supernatural powered geek by discovering the lost practice of Shadow Casting With a little help from his friends the walking dead and spirits from the past he overcomes some bizarre obstacles in order to release Mae from being held captive by a evil foe Many ancient cultures looked to spirits for guidance religion healing physical strength and protection against evil The back ground of the Shadow Caster is derived from Native American lore which provides the underlying theme of spiritualism and atonement with nature **Shadow in the Mirror** Adele Hewett Veal,2015-05-21 Leslee Cramer suffers from multiple personality disorder the result of childhood abuse Because of this illness she has been known to find herself suddenly in strange places with no understanding of how she got there having lost time along the way But when she wakes up in a strange bed with a strange man who claims to be her husband she knows something drastic has changed It turns out that Lee Leslee's alter ego has been in control for ten years During that time she married and had two children only to have her escapades terrify the kids and alienate her husband Kevin Leslee at sea in a life she doesn't recognize turns to her longtime friend Veronica Moore for help Along with her doctor Alex Whitfield Veronica is one of the few people who are aware of Leslee's disorder With their help Leslee must find the strength to hold onto her true identity and to recover the family that she is on the brink of losing Shadow in the Mirror reaches beneath the surface of one woman's life and peers into the mirrored image of her soul to tell a story of love and forgiveness **Cartoons Magazine** ,1916 The Shadow of the Second Mother Prophecy Coles,2015-02-20 The

Shadow of the Second Mother explores why has there been such little interest in psychology social history and biography in the important contribution that second mothers such as wet nurses and nannies have had upon the emotional life of the children they have nursed For the last three thousand years and throughout most civilisations they have nurtured the children of the privileged and kept alive the abandoned and unwanted child and yet there has been a profound silence surrounding the influence they may have had The author explores the lives of several well known people who have been wet nursed such as Michelangelo Rousseau Jack London Nabokov and Klein She speculates that they all were affected emotionally by their second mother and concludes that a universal feature of such delegated mothering seems to be that the bond between mother and child is broken and the child may be left with a life long distrust of close relationships In The Shadow of the Second Mother Coles combines an exploration of attachment theory with neurology making it possible to give an explanation as to why these important figures have lain unnamed and ignored in our social and psychological consciousness This intriguing new approach to an ancient practice will be fascinating reading for psychotherapists psychoanalysts sociologist and students of social history *In the Shadow of the Greatest Generation* Melinda L.

Pash,2014-05-22 Largely overshadowed by World War II s greatest generation and the more vocal veterans of the Vietnam era Korean War veterans remain relatively invisible in the narratives of both war and its aftermath Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants the Korean Peninsula chipped away at the beliefs physical and mental well being and fortitude of Americans completing wartime tours of duty there Upon returning home Korean War veterans struggled with home front attitudes toward the war faced employment and family dilemmas and wrestled with readjustment Not unlike other wars Korea proved a formative and defining influence on the men and women stationed in theater on their loved ones and in some measure on American culture In the Shadow of the Greatest Generation not only gives voice to those Americans who served in the forgotten war but chronicles the larger personal and collective consequences of waging war the American way **Medea's Long Shadow in Postcolonial Contexts** Ana Filipa

Prata,Rodrigo Verano,2024-06-10 This interdisciplinary volume explores the ancient Greek myth of Medea and its global analogues found in other mythic and folk tales of deadly exiled women such as those of La Malinche and La Llorona examining the connections between these figures and their depictions from antiquity to modernity The book considers the figure of the foreign woman her exile fratricide and infanticide in its ancient Greek form and in global postcolonial receptions in a range of media including drama film novels and the visual arts The chapters illuminate the contradictions of considering the classical Medea as a central reference point for analysis of other female figures from peripheral territories while simultaneously acknowledging the insights that such comparisons can yield Emphasizing the ways in which Medea s seditious nature enables the establishment of an extensive and heterogeneous intertextual network with other mythic characters who represent a similarly disruptive role in their specific local historical and cultural contexts the book argues for

a comparative analysis that is equally attentive to myths and folk tales from all regions These essays by scholars of classics comparative and world literatures and postcolonial studies represent a plurality of perspectives from different academic contexts in Africa Latin America North America and Europe and examine how different cultures have depicted women foreigners crime and abjection The foundations of Greek myth and subsequently of the classical tradition itself are interrogated from a postcolonial perspective In tracing the portrayals of Medea and other mythic women through the overlapping features of different female characters and plots and intertwining local cultural and literary materials with broader debates this volume challenges Eurocentric narratives of power and cultural domination and works to decentralize the discussion of Medea from the exclusive domain of classical studies Medea s Long Shadow in Postcolonial Contexts will be of interest to students and scholars working on Greek tragedy and its reception as well as to those studying postcolonial and global approaches to literature culture and gender studies *Persona Q: Shadow of the Labyrinth - Strategy Guide*

Daniela Tully,2018-04-10 Suspenseful and compelling Daniela Tully s Hotel on Shadow Lake is at once an intricate mystery an epic romance and a Gothic family saga When Maya was a girl in Germany her grandmother was everything to her teller of magical fairy tales surrogate mother best friend Then shortly after Maya s sixteenth birthday her grandmother disappeared without a trace leaving Maya with only questions to fill the void Twenty seven years later her grandmother s body is found in a place she had no connection to the Montgomery Resort in upstate New York How did she get there Why had she come Desperate for answers Maya leaves her life in Germany behind and travels to America where she is drawn to the powerful family that owns the hotel and seemingly the rest of the town Soon Maya is unraveling secrets that go back decades from 1910s New York to 1930s Germany and beyond But when she begins to find herself spinning her own lies in order to uncover the circumstances surrounding her grandmother s death she must decide whether her life and a chance at true love are worth risking for the truth *The Shadow of the Empress* Larry Wolff,2023-05-02 A beguiling exploration of the last Habsburg monarchs grip on Europe s historical and cultural imagination In 1919 the last Habsburg rulers Emperor Karl and Empress Zita left Austria going into exile That same year the fairy tale opera Die Frau ohne Schatten The Woman Without a Shadow featuring a mythological emperor and empress premiered at the Vienna Opera Viennese poet Hugo von

Hofmannsthal and German composer Richard Strauss created *Die Frau ohne Schatten* through the bitter years of World War I imagining it would triumphantly appear after the victory of the German and Habsburg empires. Instead the premiere came in the aftermath of catastrophic defeat. The Shadow of the Empress Fairy Tale Opera and the End of the Habsburg Monarchy explores how the changing circumstances of politics and society transformed their opera and its cultural meanings before, during, and after the First World War. Strauss and Hofmannsthal turned emperors and empresses into fantastic fairy tale characters, meanwhile following the collapse of the Habsburg monarchy after the war their real life counterparts removed from political life in Europe began to be regarded as anachronistic, semi-mythological figures. Reflecting on the seismic cultural shifts that rocked post-imperial Europe, Larry Wolff follows the story of Karl and Zita after the loss of their thrones. Karl died in 1922 but Zita lived through the rise of Nazism, World War II, and the Cold War. By her death in 1989 she had herself become a fairy tale figure, a totem of imperial nostalgia. Wolff weaves together the story of the opera's composition and performance, the end of the Habsburg monarchy, and his own family's life in and exile from Central Europe, providing a rich new understanding of Europe's cataclysmic twentieth century and our contemporary relationship to it. *Shadow of the Mind* Philip Sr. LeBreton, 2017-07-28 Sandy is a young beautiful girl. She could have any man she wanted. Finally Sandy thinks she's found the right man. He's not really that good looking but he's rich and comes from a mother of a very wealthy family. Things go terribly wrong. She had a nice little dinner and had a drink in her hand when there was a knock at the back door. Her boyfriend William goes to answer the door. Sandy thought she heard them arguing and then William stumbled into his living room with blood gushing from his chest. He fell dead on the floor. The two men grabbed little Sandy and she fights hard to get away but they are too strong. A police detective who specializes in murder cases just moved to Maine. Chief of police is an old friend of Ned's and he asks him if he would take over the murder case. Ned agrees to find the murderers. *Dark Shadow of Babylon* Julian Speed, 2014-11-07 An evil and ancient Babylonian priest, fallen to shadow, is mistakenly freed from its entombed prison during an archaeological dig for Roman artifacts by Frederick and his professor. Frederick, a sensitive to the unseen world of the dead since early childhood, has all but abandoned and run from his ability. He flees the excavation and returns to the United States to consult with his sister Mira, also a psychic. Upon returning to the United States, he decides not to contact his sister and forget what transpired on the isle. A rash of murders ensues in two sleepy small towns of West Virginia. Not long after Frederick returns to the US, Frederick the pretender, his sister Mira, a believer, Antonio, a skeptic, and Eva, an outcast gypsy, will all come together to face an evil that will bring doom to the living and the dead. A secret society that will kill at all cost, a vengeful spirit, and a creature of the night looking for redemption will all have a part to play in *Dark Shadow of Babylon*. *Dark Shadow of Babylon* is a horror/paranormal novel with light elements of suspense. The bulk of the story takes place in the modern day world in the year 2012, however the preface of the story begins during the Roman invasion of Britannia in 61 AD. *The Seeker and the Shadow Hunter* Laretta Beaver, 2022-02-11 Buck, a descendant of an

Oriental Monk known as Shadow Stalker and his Cree ancestor Spirit Bear the last skinwalker finds in his youth a relic hidden centuries ago A vision at his naming ceremony confirms once his training as a Shaman ends he must leave his ancestral mountains to become Shadow Hunter Why is Hunter the only one who sees the shadows rising out of Mother Earth are their others who can The shades appeared harmless until they find a host The Shaman would then become the hunter with help from the Dragon Medallion he exorcises the shadows Shadow Hunter roamed aimlessly searching for the truth until he met her The Shaman feels a magnetic pull that he knew he should resist especially when his cloak of illusion warned him Were the shades the real danger or was it an illusion to draw him to her is she the actual threat Love blossoms once they band together to stop the Nephilim half angels bound eons ago Now released from their ancient prison hidden in the mist at Snowdonia in Wales they hunt magic users and Seekers ruthlessly As death stalks them Shadow Hunter gives into his deepest desire his love for the Priestess of Mother Earth would be tested again and again until one remained An ancient curse hidden in the dragon medallion burns deep into the Shaman the Nephilim abandons their search for Seekers now they must kill the Hunter Can the Priestesses of Mother Earth keep Shadow Hunter alive until the seeds of destruction are released or will the world be doomed as the end of Mother Earth draws closer The Shadow Tracer Meg
