**Falls Lake** Debbie N. Bones, Hector L. Bones, 2024-10-28 Welcome to The 9th Skip a journey into the eerie depths of Misty Falls Lake and the town that clings to its mysterious shores My name is Hector L Bones and I ve always believed that legends carry a power beyond mere stories they hold the spirit of a place the unspoken fears and the hopes of those who dwell within its shadow Growing up I was captivated by tales of places that linger in twilight where reality blends with magic and the line between myth and truth is blurred Misty Falls Lake became a reflection of that fascination a place where the most innocent act skipping a stone across water could lead to unimaginable consequences The seed of this story was born out of my own childhood memories I remember long summer days spent with friends daring each other to skip stones and wondering what secrets lay below the lake s surface The legends surrounding Misty Falls Lake have always fascinated me from the whispered tales of the Lantern Man guiding the lost to the tragic figure of the Faceless Woman who lurks near the water s edge Each legend in The 9th Skip isn t just a character or a plot device it s an embodiment of human longing fear and curiosity As you read you ll meet Kalel and his friends ordinary people who find themselves bound to the lake s ancient magic confronting creatures born from age old wishes gone wrong Their journey will take them deep into the heart of a mystery that stretches back generations rooted in greed tragedy and the danger of pushing limits we cannot fully understand This story explores not just the magic of Misty Falls Lake but the consequences of tampering with forces beyond our control I invite you to step into the world of The 9th Skip where each ripple on the lake s surface holds a new secret and each step taken draws you closer to the unknown I hope this tale reminds you of the enduring power of myths and the mysteries we hold in the dark corners of our world So take a breath cast your stone and let the legend unfold
