Marovitz, 1984 This fifth revised edition features approximately 1 900 items most of which are annotated It addresses several interdisciplinary studies that have become prominent in the last decade especially on popular culture racial and other minorities Native Americans and Chicanos and literary regionalism It allots more space to computer aids science fiction children s literature literature of the sea film and literature and linguistic studies of American English and includes a new section on psychology The appendix lists the biography of each of 135 deceased American authors ISBN 0 8223 0592 5 22 50 For use only in the library *The Colombo Bay* Richard Pollak, 2013-09-10 In the face of killer storms fires piracy and terrorism container ships the length of city blocks and more than a dozen stories high carry 90 percent of the worlds trade This is an account of one ship s voyage and of the sailors who daily risk their lives to deliver six million containers a year to United States ports alone Inside these twenty foot and forty foot steel boxes are the thousands of imports from chinos and Game Boys to garlic and frozen shrimp without which North America s consumer society would collapse To explore this little known and dangerous universe of modern seafaring Richard Pollak joined the Colombo Bay in Hong Kong and over the next five weeks sailed with her and her 3 500 containers across the South China Sea the Indian Ocean the Mediterranean and the Atlantic En route this mammoth vessel called at Singapore and Colombo passed through the Suez Canal toll 250 000 then put in at Malta and Halifax before tangling with Hurricane Karen on the two day run to New York Here is the story of the ship s unheralded twenty four man company of the unflappable British captain Peter Davies a veteran of four decades at sea of Federico Castrojas who like the rest of the hard working Filipino crew must daily confront the loneliness of being away from his family for nine months at a stretch of Simon Westall the twenty one year old third mate who reveals what it is like to be gay in the broad shouldered world of the merchant service It is a world where pirates in the Malacca Strait sneak up behind ships at night in fast power boats then clamber aboard and either rob the unarmed sailors at gunpoint and escape into the dark or throw the crew into the sea and hijack the ship plundering her cargo and sometimes repainting her and setting out to do business under another name and flag It is a world where families desperate to get to the

United States or Europe pay thousands of dollars to the Chinese Snakeheads and other criminal gangs who secrete these wretched migrants in stifling containers after a week or more at sea these stowaways arrive in the Promised Land either starving or dead Pollak sailed on September 13 2001 into a changed world on one of 7 000 container ships whose millions of uninspected boxes suddenly had become potential Trojan horses in which terrorists could transport weapons of mass destruction into the heart of the United States Throughout his riveting narrative Pollak interweaves the insights of Herman Melville and Joseph Conrad whose masterful portrayals of seafaring make the voyage of the Colombo Bay a dramatic reminder of what a hard and rarely reported life merchant seamen have always led out on the unhooped oceans of this planet

The Coral Island R. Ballantyne, 2015-09-08 Three teenage boys the sole survivors of a shipwreck find themselves marooned on a deserted island in the South Pacific With little more than a telescope and a broken knife the youths must find food and shelter and learn to survive But though the coral island is a tropical paradise full of natural beauty and exotic fruits and wildlife dangers and adventures abound sharks pirates and even bloodthirsty cannibals Scottish born R M Ballantyne 1825 1894 wrote more than ninety books for young people during the Victorian era the most famous of which is The Coral Island 1857 a tale whose popularity has proved so enduring that it has never been out of print A thrilling story in the tradition of Robinson Crusoe and a key influence on later classics such as Robert Louis Stevenson's Treasure Island and William Golding's Lord of the Flies The Coral Island is presented here in a new scholarly edition that includes the unabridged text of the first British edition a new introduction and notes by Ralph Crane and Lisa Fletcher and the original illustrations by the author

Hacks, Sycophants, Adventurers, and Heroes David Fitz-Enz, 2012-08-10 While President James Madison was a brilliant scholar author of much of this country's early documents organizer of the executive branch of government and an astute politician he was no commander in chief He relied totally upon appointed commodores and generals to conduct a war for the conquest of Canada on one hand and survival on the other Often confused by advisors of little military talent in the end he put his trust and that of the people in the grasp of hacks sycophants adventurers and a few good men This is the story of the good the bad and the outrageous that held the future of the young nation in their hands and prevailed in spite of a twenty one ship navy and an amateur army pitched at the greatest military machine of its time

The Best of Anthropology Today Jonathan Benthall, 2013-10-11 The articles in this influential journal placed it in the thick of a turbulent period for anthropology Reacting to current research interests and launching what were often heated debates it set the agenda for disciplinary change and new research Once described the American Anthropological Association as creating a strong voice for anthropology in the public arena the Founder Editor Jonathan Benthall introduces here a personal selection of articles and letters with his own candid retrospect arguing that the discipline's greatest strength and potential lies in testing and refining the ideas of other disciplines Once described by the American Anthropological Association as creating a strong voice for anthropology in the public arena the founder editor Jonathan Benthall introduces here a personal selection of

Instruments of War Spencer C. Tucker, 2015-07-28 This highly detailed and well illustrated single volume work documents the evolution of warfare across history through weaponry and technological change In war the weapons and technologies employed have direct effects on how battles are waged When new weapons are introduced they can dramatically alter the outcomes of warfare and consequently change the course of history itself This reference work provides a fascinating overview of the major weapon systems and military technologies that have had a major impact on world history Addressing weapons as crude

as the club used by primitive man to the high tech weapons of today such as unmanned drones Instruments of War Weapons and Technologies That Have Changed History offers nearly 270 profusely illustrated entries that examine the key roles played by specific weapons and identify their success and failures The book begins with an introductory essay that frames the subject matter of the work and discusses the history of weapons as a whole The text is concise and accessible to general readers without extensive backgrounds in military history yet provides the detailed information necessary to convey the complexity of the evolution of warfare through technological change

Customs Bulletin and Decisions, 1994 *HMS Trincomalee* Wyn Davies, Max Mudie, 2015-05-20 HMS Trincomalee belonged to a class of 38 gun Fifth Rates which can claim to have been the Royal navy's standard frigate type for the whole of the Napoleonic Wars Built in India of teak she is now beautifully restored at Hartlepool and can justly claim to be the last of Nelson's frigates As is the case for many historic ships however there is a surprising shortage of informative and well illustrated guides for reference during a visit or for research by enthusiasts ship modellers naval buffs historians or students This new series redresses the gap Written by experts and containing more than 200 specially commissioned photographs each title takes the reader on a superbly illustrated tour of the ship from bow to stern and deck by deck Significant parts of the vessel for example the gun decks her mast spars and rigging and her aft accommodation are given detailed coverage both in words and pictures so that the reader has at hand the most complete visual record and explanation of the ship that exists In addition the importance of the ship both in her own time and now as a museum vessel is explained while her design and build and her career prior to restoration and exhibition are all described No other books offer such superb visual impact and detailed information as the Seaforth Historic Ship Series a truly groundbreaking concept bringing the ships of our past vividly to life
