Plays With Songs:

Songs in the Plays of Lope de Vega Gustavo Umpierre, 1975 Published by Boydell Brewer Inc **The Plays and Poems of Nicholas Rowe** Stephen Bernard, 2020-06-14 Nicholas Rowe was the first Poet Laureate of the Georgian era A fascinating and important yet largely overlooked figure in eighteenth century literature he is the lost Augustan His plays are important both for the way they address the political and social concerns of the day and for reflecting a period in which the theatre was in crisis This edition sets out to demonstrate Rowe s mastery of the early eighteenth century theatre especially his providing significant roles for women and examines the political and historical stances of his plays It also highlights his work as a translator which was both innovative and deeply in tune with current practices as exemplified by John Dryden and Alexander Pope This is the first scholarly edition of all Rowe s plays and poems and is accompanied by 15 musical scores and 31 black and white illustrations The first three volumes arrange his plays chronologically with the first volume presenting the early plays *The Ambitious Step Mother* *Tamerlane* and *The Fair Penitent* the second volume the middle plays *The Biter* *Ulysses* and *The Royal Convert* and the third volume his late period plays *The Tragedy of Jane Shore* and *The Tragedy of the Lady Jane Grey* The subsequent volumes cover his translation of Lucan s *Pharsalia* described by Samuel Johnson as one of the greatest productions in English poetry and his own original poetry which was often composed for specific occasions Each volume contains a newly written explanatory introduction which precedes the full edited text Appendices covering dedications prologues and epilogues performance history the related music and textual apparatus are also included The edition comes with a consolidated bibliography for ease of reference

Some Other Note Ross W. Duffin, 2018 English comedy from the fifteenth to the early seventeenth century abounds in

song lyrics but most of the original tunes were thought to have been lost until now By deducing that playwrights borrowed melodies from songs they already knew Ross W Duffin has used the existing English repertory of songs both popular and composed to reconstruct hundreds of songs from more than a hundred plays and other stage entertainments Thanks to Duffin's incredible breakthrough these plays have been rendered performable with period music for the first time in five hundred years Some Other Note not only brings these songs back from the dead but tells a thrilling tale of the investigations that unraveled these centuries old mysteries Publisher description
