Etymologically, the word “radical” means “of or relating to the root.”

Radical feminists aim to dismantle the entire system of patriarchy, rather than making adjustments to the existing system through legal or social efforts.

The End of Patriarchy Robert Jensen, 2017 The End of Patriarchy asks one key question what do we need to create stable and decent human communities that can thrive in a sustainable relationship with the larger living world Robert Jensen's answer is feminism and a critique of patriarchy He calls for a radical feminist challenge to institutionalized male dominance an uncompromising rejection of men's assertion of a right to control women's sexuality and a demand for an end to the violence and coercion that are at the heart of all systems of domination and subordination The End of Patriarchy makes a powerful argument that a socially just society requires no less than a radical feminist overhaul of the dominant patriarchal structures
