Radical Reformission:

Reformission Mark Driscoll, 2013-12-03 If the unchurched in the United States ever formed their own country it would be the world's eleventh most populous nation Reformission is a call to reform a flawed view of missions as something we only do in foreign lands to focus on the urgent needs in our own neighborhoods filled with diverse Americans who desperately need the Gospel of Jesus and life in his Church It calls for a movement of missionaries who seek the lost across the street as well as across the globe Many evangelical churches today are either hostile to the unbelieving world in which they live or so friendly with the surrounding culture that they have lost the unique claims of the gospel that alone have the power to change people This basic primer on the interface between gospel and culture by 1 New York Times bestselling author and pastor Mark Driscoll will help you to carefully navigate between the twin pitfalls of syncretism being so culturally irrelevant that you lose your message and sectarianism being so culturally irrelevant that you lose your mission If you're more convinced today than ever that this crazy sin sick world needs a Savior Reformission will show you how to love the Lord through the unchanging gospel and love your neighbor in our ever changing culture

The Radical Reformission Mark Driscoll, 2004 Reformation is the continual reforming of the mission of the church to enhance God's command to reach out to others in a way that acknowledges the unique times and locations of daily life This engaging book blends the integrity of respected theoreticians with the witty and practical insights of a pastor It calls for a movement of missionaries to seek the lost across the street as well as across the globe This basic primer on the interface between gospel and culture highlights the contrast between presentation evangelism and participation evangelism It helps Christians navigate between the twin pitfalls of syncretism being so culturally irrelevant that you lose your message and sectarianism being so culturally irrelevant that you lose your mission Included are interviews with those who have crossed cultural barriers such as a television producer exotic dancer tattoo studio owner and band manager The appendix represents eight portals into the future population family health medicine creating learning sexuality and religion Mark Driscoll was recently featured on the ABC special The Changing of Worship

Confessions of a Reformission Rev. Mark Driscoll, 2009-05-26 This is the story of the birth and growth of Seattle's innovative Mars Hill Church one of America's fastest growing churches located in one of America's toughest mission fields It's also the story of the growth of a pastor the mistakes he's made along the way and God's grace and work in spite of those mistakes Mark Driscoll's emerging missional church took a rocky road from its start in a hot upstairs youth room with gold shag carpet to its current weekly attendance of thousands With engaging humor humility and candor Driscoll shares the failures frustrations and just plain messiness of trying to build a church that is faithful to the gospel of Christ in a highly post Christian culture In the telling he's not afraid to skewer some sacred cows of traditional contemporary and emerging churches Each chapter discusses not only the hard lessons learned but also the principles and practices that worked and that can inform your church's ministry no matter its present size The book includes discussion questions and appendix resources

After reading a book like this you can never go back to being an inwardly focused church without a mission Even if you disagree with Mark about some of the things he says you cannot help but be convicted to the inner core about what it means to have a heart for those who don't know Jesus Dan Kimball author *The Emerging Church* will make you laugh cry and get mad school you shape you and mold you into the right kind of priorities to lead the church in today's messy world Robert Webber Northern Seminary

Gospel and Culture: Finding Ways To Engage The Culture With God's Enduring Message of Hope Michael Gunn, 2018-11-18 How has the culture affected the gospel of Jesus Christ and how has that affected the witness of the church in the 21st century This book intends to address those questions and then work toward a healthy correction to recapture the truth of the gospel and the glory of God and help people engage the culture instead of separating from it

Word and Power Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland *Word and Power* places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today

Subterranean Dan White, 2015-08-24 The landscape of Christian spirituality in the West is no longer lush with green grass and wild flowers blooming Instead across the country we find dry terrain where churches no longer can expect interested seekers yet most of our solutions for addressing this predicament link to anxiety around our performance and personality Rather than going back to the boardroom to cook up new techniques for a trendier church let's ask more meaningfully rooted questions Do we know how to be present in our neighborhoods Do we know how to be present in community Do we know how to be present to the in-breaking kingdom of God There is a growing groundswell discovering that we have become uprooted and detached from each other in the way we express being the church We need a subterranean movement that plunges below the surface into a way of being the people of God that carries an unwavering incarnational creed Dan White Jr uses crisp criticism narrative theology and tangible practices to uncover a hopeful pathway for being radically rooted in God's world

Baptists and the Emerging Church Movement David Mark Rathel, 2014-07-24 In *Baptists and the Emerging Church Movement* David Rathel examines the major ecclesiological proposals of the emerging church movement Though many theologians argue that the emerging church movement emphasizes epistemology Rathel contends that its primary concern is ecclesiology Emerging church leaders offer a number

of important ecclesiological proposals including restructuring traditional church leadership models to accommodate the rise of postmodernity changing the mission of the church so that the church may strike a more missional tone in contemporary culture removing the categories of in or out within the church body and adopting the multi site church model In assessing these proposals Rathel draws upon historic Baptist convictions about the nature of the church using Baptists ecclesiological distinctives and long history of ecclesiological thought as a helpful reference point This book will not only serve as a guide for those who wish to learn of emerging church ecclesiology it will also be an aid to Baptists who wish to evaluate recent trends in ecclesiology in light of their denominational distinctives

By the Waters of Babylon Scott Aniol, 2019-03-21 A guide to biblically shaped worship which has the greatest missional impact in a post Christian culture By the Waters of Babylon examines a relationship between worship culture and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance Imagine how the Hebrews felt during their years of captivity in Babylon How could they sing the songs they once sang in the splendor of Jerusalem now that they sat in exile Christian worship in the West faces many of the same challenges as this tragic account of Israel's captivity By all accounts Christendom is dead and unbiblical beliefs have progressively permeated Western thought expectations and culture So how should churches respond to this seismic shift in their relationship with an increasingly post Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ By the Waters of Babylon will help Christians wrestle through this critical issue of the relationship between Christian worship and evangelistic witness especially in the context of an increasingly hostile culture The author demonstrates that biblically regulated gospel shaped corporate worship that communicates God's truth through appropriate cultural forms will have the most missional impact in a post Christian context

Unreached Tim Chester, 2012-12-17 Think of the thriving evangelical churches in your area Chances are they will be in the nice areas of town and their leaders will be middle class Tim Chester once attended a lecture where the speaker showed a map of Sheffield The council wards were coloured different shades according to social indicators educational achievement household income benefit recipients social housing criminal activity and so on Slide after slide showed that the east side of the city was the

needy socially deprived half compared to the more prosperous west Where are the churches Counting all the various tribes of evangelicalism the large churches are on the west side The working class and deprived areas of our cities are not being reached with the gospel There are many exciting exceptions but the pattern is clear According to Mez McConnell from Niddrie Community Church in Edinburgh of the fifty worst housing schemes in Scotland half have no church and most of the others only have a dying church Very few have an evangelical witness This book is about reaching deprived urban working class areas often estates or schemes It offers us the combined experience of the Reaching the Unreached working group an informal network of Christian leaders from different parts of the UK This book doesn't claim to be the final word But it presents us with a vision of what can be done We pray that it will capture imaginations and start a vital process in our hearts and minds

Biblical Counseling and the Church Bob Kelleman, 2015-11-03 As people face addictions deal with loss and grief and seek help in restoring broken relationships where can they turn for counsel and assistance The local church has been uniquely blessed with the gift of the gospel and is able to offer hope and counsel that no other institution on earth can In Biblical Counseling and the Church Bob Kelleman and Kevin Carson have assembled over twenty respected ministry leaders who examine the relationship between counseling and the church This comprehensive resource part of the Biblical Counseling Coalition series
