Radical Spirituality Richard Sutphen, Dick Sutphen, 1995 You Were Born Again to Be Together Dick Sutphen, 2021-10-26 Discover the classic guide to past life regression that reveals how soulmates are reunited across the ages from renowned psychic researcher Dick Sutphen There is absolutely no doubt in my mind that romantic partners together in this lifetime have been together before After being hypnotized and shown his own past lives Dick Sutphen went on to become a practitioner of hypnosis and past life regressions Over the years he worked with many people and discovered the importance of karma that we have lessons to learn and if we do not do so in one lifetime we will encounter them in another lifetime Other people are instrumental in our learning these karmic lessons and we can be tied to certain individuals in life after life In this book Sutphen shares regressions with several clients and includes transcripts of their sessions In hearing their stories we discover what these people came to understand about the challenges in their present lives after they looked to the past Originally written in 1976 You Were Born Again to Be Together remains a useful primer in shining a light on metaphysics and the amazing power of the human spirit Discover the classic guide to past life regression that reveals how souls are reunited across the ages Heal Thyself Pieter De Wet, 2010-06-29 With our health care system at its breaking point it is incumbent upon each of us to learn how to better take care of ourselves Is it conceivable that disease is a blessing not a curse a biological solution to internal imbalances created by unresolved inner conflicts lifestyle environmental toxins and infectious agents Author and doctor Pieter J De Wet sheds new light on why and how you get sick and guides you through the most critical steps on how to gain your health back in Heal Thyself Transform Your Life Transform Your Health Every patient should read this book in order to gain optimum health Heal Thyself helps even the novice patient understand how most illnesses actually develop and how the patient can take responsibility for their own recovery using safe effective noninvasive techniques William Lee Cowden MD MD H By understanding the purpose of disease and its root causes the solutions become readily apparent Follow Dr De Wet's twelve week plan and let Heal Thyself empower you to embrace these solutions and no longer feel that you are at the mercy of unpredictable and devastating scourges Street Smarts and Critical Theory Thomas McLaughlin, 1996-11-15 Like academic theorists who are trained in a tradition of philosophical and political skepticism that challenges all orthodoxies the vernacular theorists McLaughlin identifies display a lively and healthy alertness to contradiction and propaganda They are not passive victims of ideology but active questioners of the belief systems that have power over their lives Their theoretical work arises from the circumstances they confront on the job in the family in popular culture And their questioning of established institutions McLaughlin contends is essential and healthy for it clarifies the purpose and strategies of institutions and justifies the existence of cultural practices **The Oprah Phenomenon** Jennifer Harris, Elwood Watson, 2014-10-17 Her image is iconic Oprah Winfrey has built an empire on her ability to connect with and inspire her audience No longer just a name Oprah has become a brand representing the talk show

host's unique style of self-actualizing individualism. The cultural and economic power wielded by Winfrey merits critical evaluation. The contributors to *The Oprah Phenomenon* examine the origins of her public image and its substantial influence on politics, entertainment, and popular opinion. Contributors address praise from her many supporters and weigh criticisms from her detractors. Winfrey's ability to create a feeling of intimacy with her audience has long been cited as one of the foundations of her popularity. She has repeatedly made national headlines by engaging and informing her audience with respect to her personal relationships, to race, gender, feminism, and New Age culture. *The Oprah Phenomenon* explores these relationships in detail. At the root of Winfrey's message to her vast audience is her assertion that anyone can be a success regardless of background or upbringing. The contributors scrutinize this message: What does this success entail? Is the motivation behind self-actualization in fact merely the hope of replicating Winfrey's purchasing power? Is it just a prescription to buy the products she recommends and heed the advice of people she admires, or is it a lifestyle change of meaningful spiritual benefit? *The Oprah Phenomenon* asks these and many other difficult questions to promote a greater understanding of Winfrey's influence on the American consciousness.

Transrational Resonances Josefina Echavarría Alvarez, Daniela Ingruber, Norbert Koppensteiner, 2018-02-28. This book comprehensively gathers the current academic literature, field expertise, and artistic developments on Wolfgang Dietrich's Many Peaces theory in the ways it has been conceptualized and practiced by peace and conflict workers around the world. Both scholars and practitioners challenge and creatively explore the field of transrational peace philosophy, contributing their insights on elicitive methods and conflict mapping. The book is further enriched by artistic perspectives on integrative approaches to theatre for living and intercultural soundscapes. The articles collected here respond with innovative strength and vigor to the worldwide need for further research on peace and for practical approaches to conflict transformation. This book therefore equally appeals to scholars, peacebuilders, and practitioners as well as artists engaged in conflict transformation.
