Alpha Douchebag: The Princess S.N. GARZA,2022-06-18 Just when Ragan thinks everything is starting to come together with Lochlan there's more secrets she has yet to uncover Her secrets her past finally show themselves and it's up to her to take the plunge Whether to trust the man she's fallen head over heels for or go it alone like she's always done in the past believing she can never count on anyone Lochlan's done giving Ragan the time she needs to come to grips with the fact that she's belonged to him since the moment they met It's time to claim the woman he's been in love with since he was sixteen The sex is for certain They're a fuse and bomb ready to be set off Ragan's not giving in to his charms just yet He still has secrets he won't reveal Her future in her grandmother's company has yet to reveal itself and she doesn't know what she wants to do One thing about Lochlan and Ragan they're a match made in heaven or maybe hell but it's going to be one hell of a ride getting there Just wait and see

I Give You This Ghost Jessie Millner,2008 Early Departures for the Sun Raymond Sturgis,2009-08-21 Early Departures for the Sun is a riveting book that chronicles the prevailing violence which permeates our lives and homes America has become so obsessed with violence that little children are learning to kill before they understand the English alphabet Many people search for a spiritual answer only to hope that their faiths would lead them to see their love ones who were violently removed from their lives Violence also reared its ugly head in today's foster care and adopted homes In which the children that reside there are the victims of a terrible procedure that terminates

parental rights by the thousands from data collected by corrupt Child Protective Service workers America judicial system has failed our children and America cannot survive by giving its children an option of life in prison or death from gun violence Early Departures for the Sun gives honest reflections of how violence destroys the hearts and souls of people in marriages and relationships The court dockets are replete with court dates from women and men who have filed personal protection orders against people who they now need protection due to violent and threatening behavior The author conveys the sadness and despair of parents that have lost children to gun violence robbing toddlers and infants of a chance of living a fulfilled life The senseless act of violence is mainly from ex boyfriends ex husbands or teenage cowards that found answers to their problems by shooting in homes and schools without remorse Early Departures for the Sun gives a realistic view of how violent our world has become but a more kinder and spiritual view of love ones taking the Early Departure to the Sun right outside heaven s door Early Departures for the Sun is a CALL OUT book so that everyone can enlist in the war against violence as well as an encouragement so we all can stand with those whom may have lost someone to violence **Alpha**
