Ragged Mans Complaint:

The Ragged Man's Complaint James Robertson, 1993 This collection of short stories is laced with a mixture of expectation and menace hope and fear Men and women strangers and lovers the old and the young test and joust with each other unsure of the ground yet rooted to it In 1991 James Robertson won the Sloan Prize The New and Complete Dictionary of the English Language John Ash, 1775 **Uncovering Caledonia** Milena Kaličanin, 2019-01-14 Uncovering Caledonia An Introduction to Scottish Studies represents a cultural journey to portray and illustrate the burning cultural issues of modern Scotland and uncover the myriad of Caledonian peculiarities from a non native point of view This introduction to Scottish studies operates mostly on the country's literature although also explores Scottish folk tales legends and film This approach is precisely what makes this book different from the majority of other studies in this academic field instead of concentrating primarily on a factual approach to various historical and political queries of modern Scotland it offers an insight into these issues through the interpretation analysis and comprehension of Scottish folk tales legends literature and film The book is thus divided into five large chapters each consisting of several segments dealing with contemporary themes relevant for depicting and comprehending modern Scottish culture In addition to scholars and students interested in the fields of cultural studies and British and Scottish studies the book will also appeal to the general reader keen on observing and understanding the cultural processes relevant for present day Scottish society and culture **Brexlit** Kristian Shaw, 2021-07-29 Britain's vote to leave the European Union in the summer of 2016 came as a shock to many observers But writers had long been exploring anxieties and fractures in British society from Euroscepticism to immigration to devolution to post truth narratives that came to the fore in the Brexit campaign and its aftermath Reading these tensions back into contemporary British writing Kristian Shaw coins the term Brexlit to deliver the first in depth study of how writers engaged with these issues before and after the referendum result Examining the work of over a hundred British authors including Julian Barnes Jonathan Coe Kazuo Ishiguro and Ali Smith as well as popular fiction by Andrew Marr and Stanley Johnson Brexlit explores how a new and urgent genre of post Brexit fiction is beginning to emerge *Republics of the Mind* James Robertson, 2012-11-15 The republic of the mind It might have been a drug it might have been something you scored in pub toilets but it wasn't It was better than that One day everybody was going to be there In this new edition of James Robertson's shorter fiction nothing is quite what it seems From a dysfunctional safari park to an abandoned mental hospital from a flat overrun by frogs to a South Dakota reservation or a future Scotland riven by ethnic cleansing the settings of these stories are both nightmarish and real and the characters who inhabit them often heroic even in defeat Angry philosophical funny and humane James Robertson's stories explore the friendships strong in adversity marriages heading for the rocks and the lonely truths of everyday life with the same deftness of touch that has brought critical acclaim for novels such as *And the Land Lay Still* and *The Testament of Gideon Mack* This is a collection that will live long in your mind Literature of Scotland Roderick Watson, 2006-11-24
