Raging Bulls Michael Bradley, Consumer Guide, Consumer Guide Editors, 1996-06 NBA Champs      *Raging Bulls!*, 1996

Extreme Winning Pat Williams, 2015-11-03 Extreme winners are not content with being second That s equivalent to being the first loser Anybody can live life when things are going well the real test comes when adversity strikes and setbacks nail you When that happens how are you going to respond It s been five years since Pat Williams learned firsthand what an oncologist was Five years since he had to actually prove that he bought into his own message in order to beat the cancer attacking the plasma cells in his bone marrow Five years since he responded to the diagnosis with a new mission for remission and determined to face his mission with one goal winning Now Williams and Kerasotis share that same focus and passion with readers by identifying 12 qualities of extreme winners and by providing all of the tools they need to implement each one When put into practice which readers can do right away there is no telling what can happen And there is no telling what they can accomplish      **Raging Bulls!** Garrison Keillor, 1996      *The Myth of Michael Jordan in Popular Culture*

Tomasz Jacheć, 2024-03-18 This book examines the life and career of Michael Jordan one of the greatest athletes in the history of sports asking how he transcended his sport to become a canonical myth in popular culture Drawing on work in sport studies cultural studies sociology history business and media this book helps us to understand how myths are made in modern society and highlights the importance of myths in a post truth world It unpacks the underlying monomythical structure of the Jordan myth including the universality of the hero s journey and explores those features that are inherently American but that also carried Jordan to the status of a global superstar This book traces the contours of his career and looks at how the intersection of commercial interests media narratives and supreme athletic talent in a particular social political and historical context generated a myth that continues to resonate today long after the end of Jordan s playing career Drawing on original research and adding new theoretical depth to our understanding of Michael Jordan s place in popular culture this book is essential reading for anybody with an interest in the relationship between sport and wider society

**The Devil Problem** David Remnick, 2014-04-02 Readers know from his now classic *Lenin s Tomb* that Remnick is a superb portraitist who can bring his subjects to life and reveal them in such surprising ways as to justify comparison to Dickens Balzac or Proust In this collection Remnick s gift for character is sharper than ever whether he writes about Gary Hart stumbling through life after Donna Rice or Mario Cuomo who now presides over a Saturday morning radio talk show fielding questions from crackpots or about Michael Jordan s awesome return to the Chicago Bulls or Reggie Jackson s last times at bat Remnick s portraits of such disparate characters as Alger Hiss and Ralph Ellison Richard Nixon and Elaine Pagels Gerry Adams and Marion Barry are unified by this extraordinary ability to create a living character so that the pieces in this book taken together constitute a splendid pageant of the representative characters of our time      **The World**
