The Return of the Circuit Rider David Robert Hinshaw,2011-03-10 In the process of writing two short collections of light hearted material one published and one yet to be published the author became acutely aware that he could not continue forward without addressing what he considered to be the most important issues of human existence All of us have asked ourselves the questions What is the meaning of life and Why am I here Some have rejected the idea of an eternal soul some are undecided while others are largely unconcerned but the author has chosen to embrace the concept and run with it He believes there is a single overriding mission for every individual alive today The sole purpose of this life is to prepare for the next one and every person has been given the ability to control his own destiny When compared to eternity our lives are like a single knot in a rope that stretches around the world From the foundation of the earth a plan has been in place to allow humanity to share the wonders of eternity with the Creator of all things Those who follow that plan will be rewarded accordingly while those who prefer to separate themselves from the influence of a Higher Power will be granted their wish in eternity If this book convinces one person to follow the plan that leads to redemption then it will have been well worth the effort

Jaws and Star Wars hugely successful films that would create a blockbuster mentality and crush innovation Based on hundreds of interviews with the directors themselves producers stars agents writers studio executives spouses and ex spouses this is the full candid story of Hollywood s last golden age Never before have so many celebrities talked so frankly about one another and about the drugs sex and money that made so many of them crash and burn By turns hilarious and shocking Easy Riders Raging Bulls is the ultimate behind the scenes account of Hollywood at work and play

The Call of the Night Rider: A Story of the Days of William Tyndale Albert Lee,2020-09-28 As she walked across the meadow carrying a basket in one hand and swinging a a dainty blue hood in the other Margaret Byrckmann made a picture that was pleasing to behold She looked up as she moved along but her eyes went down again before the dazzling sun which was setting in a blaze of red splendour silhouetting the battlemented walls of the city She gave this evening beauty scanty attention for her dark eyes were watching the meadow Then a cry of pleasure broke from her lips and she hastened forward but before she had gone far her face filled with disappointment and she stopped abruptly I thought it was Herman she exclaimed almost petulantly She watched a man who was walking wearily He looked dusty and wayworn and the movement on the beaten path seemed to be toilsome and painful She thought he must have travelled far for he carried a heavy looking wallet on his back and the staff in his hand was used as though it was real labour to go forward He is tired to death poor man she muttered her sympathy getting the better of her disappointment and she crossed the meadow to intercept him Until he halted in sheer weariness to look around for some spot a tree or a bush

anything that would screen him from the glare of the sun the man in the meadow did not see her but the moment he spoke Margaret knew that he was not one of her countrymen Mistress how far is it to the city he asked in a foreign accent That is it she answered softly and full of concern for the stranger s limbs trembled and his hand shook when he raised it to set his cap straight With the other he gripped his staff tightly lest he should fall Yonder he exclaimed gazing beneath his hand I did not see it in the blaze of the sunset It seems a long way off More than two miles said Margaret Two miles was the dismayed response so far as that Yes sir But how will you think to enter the city since tis but a few minutes to sundown They close the gates the moment the sunset bell has stopped Is it so came the discouraged response I forgot that it is not here as it is in England where our walled cities are so few Then I must lie in the meadow till sunrise You could enter if you had a pass said Margaret who was concerned for the stranger for in spite of his wallet and the travel stains she saw that he was no common wanderer But I have no pass The stranger and the girl standing in silence while the slanting sunlight was sending long shadows over the grass looked around for some place a hut or a barn or anything where a man who was tired could lie down and sleep but there was nothing of that sort in view no village far or near There is no place that I can see said Margaret who had never noticed how empty the fields were of houses until now when they were so badly needed Ah well I may not complain the stranger muttered Why should I Even the dear Lord saw many a sun go down and had nowhere to lay His head He spoke more to himself as if forgetful that the girl was near until she moved I will sit down under the chestnut tree and take my chance unless your home is anywhere outside the city walls I live in the city sir but they know me and I have a permit to get in after the gates are shut said Margaret And yet I am so sorry for you she went on softly If I only knew where I might find some food I would not care the stranger said gazing around him his hand above his eyes A low call came while he was speaking like the sweet note of the last evening bird It travelled over the meadow from the river and Margaret looked up quickly Her dark eyes flashed and her lips parted with pleasure then she sent back an answering cry full of soft rich music The stranger watching her pale face saw the flush of colour darken it and worn out though he was he marvelled at her beauty and smiled to himself Pardon me for a moment sir she exclaimed when her answer ended I will come back again While she spoke she moved away with hurried steps to meet a young man who had appeared on the bank of the broad river He had been bending low to fasten his boat to the root of one of the willows but when he saw her coming he came to meet her and throwing his arms about her he kissed her till she asked for breathing time

The Last Charge of the Rough Rider William Elliott Hazelgrove, William Hazelgrove, 2023-06-01

There have been many books on Theodore Roosevelt but there are none that solely focus on the last years of his life Racked by rheumatism a ticking embolism pathogens in his blood a bad leg from an accident and a bullet in his chest from an assassination attempt in the last two years of his life from April 1917 to January 6 1919 he went from the great disappointment of being denied his own regiment in World War I leading a suicide mission of Rough Riders against the Germans to the devastating news that his son Quentin had been shot down and killed over France

Suffering from grief and guilt marginalized by world events the great glow that had been his life was now but a dimming lantern But TR s final years were productive ones as well he churned out several instant books that promoted U S entry into the Great War and he was making plans for another run at the Presidency in 1920 at the time of his death Indeed his political influence was so great that his opposition to the policies of Woodrow Wilson helped the Republican Party take back the Congress in 1918 However as William Hazelgrove points out in this book it was Roosevelt s quest for the vigorous life that ironically may have led to his early demise at the age of sixty The Old Lion is dead TR s son Archie cabled his brother on January 6 1919 and so too ended a historic era in American life and politics **Delphi Complete Works of H.
