Railway Cat Adventures *Children's Fiction Sourcebook* Margaret Hobson,Jennifer Madden,Ray Prytherch,2018-12-17
First published in 1992 this Sourcebook is a basic working tool for all those concerned with children s reading It will help librarians and teachers to select a comprehensive stock of children s fiction for their institutions The authors in the sourcebook have been selected on the grounds of importance popularity and current availability Author entries are arranged in alphabetical order and indexes provided by title series age range and genre Each entry consists of some background information and evaluative comment on style of the book a list of the authors books with publisher date and price and literary agent where applicable There is a suggestion of similar authors sequels related series and reader age range **British Film Catalogue** Denis Gifford,2016-04-01 First published in 2001 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original second volume devoted to non fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars **Lambert's Railway Miscellany** Anthony Lambert,2010-10-14 The world of the railways weaves a spell over many people In this engaging book railway expert Anthony Lambert presents some of the best stories From the early days come tales of financial skulduggery and worries that sparks from locomotives might ignite sheep s fleeces But as the railway transformed the modern world attitudes changed and railways were opened to great rejoicing and even religious blessing The perennial appeal of the steam locomotive generated a pride amongst railwaymen and a fascination among the public The romantic aspects of the railway were soon celebrated and not just the unexpected engagement that came from a snowbound train in the Highlands or the sexual shenanigans of the Orient Express Here are stories of railway travel from the palatial carriages of tsars and maharajahs to the open trucks of the lower orders mishaps and faux pas and tales of how ticket inspectors used to have to hold on to the outside of carriages while clipping tickets From tales of lonely stations and signal boxes in Scotland to the unlucky engineer eaten by a lion in a carriage in Kenya Lambert casts his net across railways worldwide to gather the most entertaining material There are stories here that would enliven even a cheerless commute on the 18 01 and remind you that our railways really were and occasionally still are full of derring do romance and character
 Motion and Space across Languages Iraide Ibarretxe-Antuñano,2017-08-15 This volume offers a unique combination of interdisciplinary research and a comprehensive overview of motion and space studies from a semantic typological perspective The chapters present cutting edge research covering central topics such as the status of semantic components in motion event descriptions and their role in typological variation the function of linguistic multimodal structures for the

codification of motion the diachronic evolution of motion expressions and its effects on motion typologies the correspondences between physical and non physical fictive metaphorical motion and the impact of contexts and genres on the characterization and interpretation of motion events These issues are examined from a theoretical and applied linguistic perspective L1 L2 acquisition translation interpreting The analyses make use of diachronic and synchronic data collected by a range of methods elicitation experimentation and corpus research in more than fifteen languages All in all this book will be of great value to scholars and students interested in the expression of motion and space across languages
