Rain Child:

Rainchild & the River of Kings Janeiro Star,2013-07-15 Stewn underneath the photos are eight pieces of torn crumpled paper of a light green color with black marker scribbles in a clear zip bag This is really weird Suray says to herself She needs to piece up the papers together in order to read the torn scribbles Those crumpled pieces need to be unraveled and smoothed out by one The patching up of the pieces is time consuming She has to get up to her room to find cellophane tape Eventually the patched up pieces bear these wordings Meet me near the bridge If we were really destined to meet I ll be by the river Well well well what is that supposed to mean It feels frustratingly crappy Where on earth could the bridge be On top of all that there are so many rivers in the world Who wrote this in the first place It didn t seem like a recognizable handwriting to Suray Why did the mysterious writer tear the paper into pieces yet keep it in a trunk like a cherished possession Everything just doesn t make sense The writer tore the paper to some pieces as if to diminish a secret yet decide not to eliminate it To whom actually the message on the torn paper is intended If the writer is her father it is too late to pursue any possible meet up because he s dead Perished in the fire by the river of Siam was as told by his uncle Razief who happens to be her father s twin brother In silence she couldn t help feeling and thinking that there is a tiny weeny ounce of possibility that her father is somehow still roaming the Earth *Hateruma C.
